

**A WORD OF ADVICE
BY THE MAKERS OF
MANHATTAN SHIRTS**

It is true that everywhere throughout the country there are many men who are never satisfied with other than a quality, custom-fitting shirt with a genuine reputation for stability, service and satisfaction. If you are one of these men, it will pay you in the end to pay the price of a Manhattan shirt, even tho it seems higher than you'll pay for a shirt of less prestige. Buy a Manhattan because of its reputation. It's your safeguard in times like these, when quality is uncertain.

**THE U. S. WEEKLY
MARKETGRAM**

Latest Price Quotations Received From the U. S. Bureau of Markets Covering Produce and Feeds

(Washington, D. C., for the week ending April 4th, 1921.)
GRAIN: Apprehension of damage to growing crops by freezing weather caused a temporary price up turn the first of the week, but prices began to drop on the 30th, due to the liquidation of coarse grains for country account. The decline continued until the 2nd when active demand caused prices to rally, an advance that continued through the 4th. Visible supply wheat decreased 2,208,000 bushels for week, visible supply corn increased 822,000 bushels. In Chicago cash market No. 2 red winter wheat 5-6c over Chicago May No. 2 hard 11-12c over; No. 3 1/2 to 5c under Chicago May; No. 3 yellow 3 1/2 to 4c under. For the week Chicago May wheat down 5 1/2c at \$1.38 1/2 May corn 4 1/2c at 59 1/2c Minneapolis May wheat down 5 1/2c at \$1.30, Kansas City May 5 1/2c at \$1.29 1/2, Winnipeg 1 1/2c at \$1.27 1/2. Kansas City milling and export demand good; No. 2 hard wheat 6c over Kansas City May.
LIVE STOCK & MEATS: The Chicago Hog market declined 15c to 40c per 100 pounds, this past week light hogs losing most. Best steers and heifers practically steady, cows and feeder steers generally 25c higher. Veal calves down 50c to \$1.00, fat lambs and yearlings 50c to 75c, and fat ewes about steady. April 4th Chicago prices: Hogs bulk of sales \$8.75-\$10.00; medium and good beef steers \$8.25-\$9.65, butcher cows and heifers \$5.00-\$9.25; feeder steers \$7.50-\$9.25; light and medium weight veal calves \$7.00-\$9.50; fat lambs \$7.50-\$10.00; feeding lambs \$7.50-\$9.75; yearlings \$7.00-\$8.75; fat ewes \$5.00-\$6.75. With the exception of veal, fresh meat prices at Eastern wholesale markets showed an upward tendency trend for the week. Lamb and Mutton up \$1.00-\$2.00, pork steady at some markets and 1-2c higher at others. Veal down 1c to 2c, beef ranged 50c higher to \$1 lower depending on the market. April 4th prices good grade meats: Beef \$17.50; veal \$17-\$20; lamb \$18-\$22; mutton \$13-\$16, light pork loins \$25-\$28; heavy loins \$18-\$23.
HAY: Many Eastern markets report excessive receipts. An almost cessation of demand caused markets to trade lower. Receipts in Middle Western markets continue light but as buyers were few, quotations held only firm. In view of relatively lower price of oats receivers are urging shippers to take advantage of present prices. Stockyards Chicago advise sufficient hay on hand to last till June 1st and only interested in top No. 2 Timothy or Clover mixed. Arrivals of alfalfa of the better grade generally light. Cincinnati and Boston very weak on heavy receipts quoting \$2-\$3 lower than week ago; shipping demand poor. Quoted No. 1 Timothy \$25 Chicago, \$28 Boston, \$27.50; Memphis, \$22.50; Cincinnati, \$19.00; Minneapolis, No. 2 Timothy \$20.50 Chicago, \$24.50 Boston, \$25 Memphis \$20.50 Cincinnati, \$17.50 Minneapolis, No. 1 alfalfa \$24 Chicago, \$25.50 Memphis, \$30 New Orleans, \$31 Cincinnati, \$20 Minneapolis, No. 1 Prairies \$19 Chicago, \$15 Minneapolis.

Linsseed meal and gluten feed steady but showing a weak tendency. Split corn bran and standard middlings offered at \$27.50 and \$26, respectively, delivered Northeastern markets; transit offerings good and offered at discount under spot stuff in many markets quoted bran \$17, middlings \$16 Minneapolis linsseed meal \$39.50, Buffalo \$39 Minneapolis, white and yellow hominy feed \$24 Chicago, gluten feeds \$37 Chicago, per cent cotton seed meal \$22.50, Memphis re-ground oatfeed \$5.50 Chicago.
DAIRY PRODUCTS: Butter market has shown steady recovery the past week. Influence of Danish imports seems to have been pretty well discounted before shipments actually arrived, and with this butter held at firm prices and domestic receipts barely taking care of demand markets have been firm. Present feeling points to no immediate break. Closing prices 92 score: New York 51 1/2c, Chicago 48 3/4c, Philadelphia 52 1/2c, Boston 51c. Dull trading and weakness has featured cheese market the past week. Trading slow as buyers have looked for still lower prices. Considerable difference of opinion regarding immediate outlook but it is generally felt that prices will seek lower level before bottom of market is reached. Prices on Plymouth Wisconsin Cheese Exchange Twins 19c; Danishes 20c; Double Danishes 20c Longhorns 21c, Young Americas 21 square prints 20c.
COTTON: Spot cotton prices down 53 points the past week, closing around 10.89 per pound, a new low point for the season. New York May futures down 107 points at 11.45c.

Mrs. Verne Gore is Asking to Have Her Marriage Annulled on the Grounds of Fraud

Corning, April 4.—The girl for a glimpse of whom Verne Gore, notorious yegg and jailbird, risked and lost his freedom with the result that he is now serving a twenty-year term in Auburn prison, now seeks to dissolve the ties which bind her to Gore. Mrs. Gore, who, prior to last July when she was married to Gore in Corning, was Miss Margaret Loveless, daughter of Mr. and Mrs. Loveless, of Corning. She has brought an action to have her marriage to Gore annulled upon the ground of fraud.

Mrs. Gore alleges that when she met Gore he represented himself to be a respectable traveling salesman. It was not until after her marriage, her petition to the court asserts, that she found that he was in reality a notorious criminal. Gore blew the Shattuck safe in Hornell last October. He was arrested here in December after he had stolen into the city to say farewell to his wife preparatory to leaving for another part of the country as the result of the activity of the police who, aroused by his frequent daring escapades, were bending every nerve to arrest him. Gore was located at his wife's home by Police Chief Hammer, of Corning. Gore got the drop on the chief and held the latter covered for three hours with a revolver. At the end of that time Gore was caught off his guard, overpowered and arrested. Gore pleaded guilty here in February to an indictment charging him with robbing the Lackawanna passenger station here in September. He had also been indicted as an habitual offender. He was sentenced to a twenty-year term in Auburn as a result. While being transported to prison he attempted suicide here by swallowing mercuric chloride, but he recovered.

THAT KNIFE-LIKE PAIN

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Andover people. Ask your neighbor—Read this case:
Mrs. E. L. Gardner, Rochambeau Ave., Andover, says: "A bad attack in the small of my back two years ago and put my kidneys in a weak, unhealthy condition. I shall never forget how my back used to ache, and pain. Whenever I stooped over to dust or wash, a knife-like pain would catch me in the small of my back and then dart up my spine. Frequently millions of colored specks would float before my eyes, blurring my sight. The action of my kidneys was irregular and caused me a lot of trouble, also. I am glad to say that Doan's Kidney Pills cured me of all his trouble."
