SIGN-BOARDS ON THE UP-ROAD

Hamilton B. Williams

Maeterlinck, in his allegory, "The Blind," pictures the human family to be a company of blind folk whose religion and philosophy give them pleasant but unreal dreams.

The tide of darkness is creeping up and at world's end we shall be carried out into the sea of oblivion. This is the logic of blindness.

Any philosophy of selfishness, materialism, unbrotherly individualism comes naturally to the gate of extinction. These cannot—should not—live on!

Intelligence—and to know God is Eternal Life—behold continued existence as the logic of Law, Order, Reason, relationships, potential.

And standing upon a shaking world we say—there ought to be God and pleasant fields—and life lifting toward its possible glory.

You have been to me the one whose magic—call it what you will—has waked the dreams sleeping these thousand years in a clayed-out hutch. You know a magic, having swept me, with the sheer flame's thrill, How a God's heart leaps when He finds souls naked by a love's hand's touch. It is a dreadful magic, comrade, to open the Gates of Light. To souls laden with empty cups whose weird-way is of the night. Shall one touch souls and enter not blood-close, through the thrilling flesh? The touch of your lips tells—there's fire or soul or God in the mesh.

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Andover woman who is having back aches, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Andover woman's experience.

Mrs. Fred Taylor, Rochambeau Ave., says: "I am a very firm believer in Doan's Kidney Pills and can't recommend them too highly. About once a year, usually in the spring, I had an attack with my kidneys. At such times my kidneys became weak and irregular in action and I suffered from severe backaches, dizzy spells and attacks of blurred sight. My hands, feet and ankles would swell, due to the weak condition of my kidneys. I have also felt

Intelligence (knowing) to the road to all truth. Homer, Virgil, Shakespeare, Browning find the magic in words and song our vague dreams in to crystal truth. Pheidias, Angelo, Rodin, St. Gandens find in marble the hidden angels. Beethoven, Chopin, Mack Dowell find music's thrill and healing nesting in the oboes, Puccini, Rembrandt, Millars, Turner, in colors convince us that there is beauty hidden everywhere.

Jesus found God nesting in the human heart, and his artistry is to evoke the man and woman to high enterprise and to the daring roads of soul.

Intelligence finds in every spot of the universe the signs of the presence of a Powerful Being; all He touches being stamped with a vast Kindness.

Build our houses, comrades, on Intelligence. Life is knowing.

GOOD BLOOD NEEDED IN SPRINGTIME

People With Poor Appetite, Bad Complexions and "Spring Fever" Need a Blood Tonic

GUDE'S PEPTO-MANGAN IS BEST

Makes Rich Red Blood—Renews Vitality and Increases Body's Resistance to Disease

Spring is the time when good blood is so vital to health. If you do not feel the thrill of Spring in your blood, if you take no pleasure in living, if your appetite is poor, your complexion is pallid or muddy, and you tire easily, you can be pretty sure your blood is not up to the mark. So many feel that way in the Spring. Especially housewives who have so much work to do. They get over-tired and run-down—their blood becomes weak and thin.

Build up your health now by taking that splendid Spring blood tonic, Gude's Pepto-Mangan. It will give vital power to the red corpuscles in your blood. They will go racing thru your blood, carrying fresh supplies of oxygen to all the tiny cells. It will help improve your color and your appetite. You'll take more interest in things and enjoy life more. You will stop going around with that tired all-gone feeling.

Physicians have prescribed Gude's Pepto-Mangan for thirty years. You can get it at your druggist's in either tablet or liquid form. Take whichever you prefer. They have the same medicinal value. Get the genuine. Advertisement.

More Price Reductions by Harvester Company

Entire Line of Implements Now at LOWER PRICES

In view of the recent reduction in the price of steel, we now announce lower prices for our entire line of farm machines and implements not covered by reductions previously announced.

All lower prices take effect at once

The reduction in the price of steel comes after all the material for the machines and implements we will sell this year has been provided, and will therefore have no bearing on the manufacturing costs of such machines. However, it does enable the Company to buy materials at lower prices for future manufacture, and in accordance with our announced policy we now quote those prices, the Company taking the loss on machines already finished and materials on hand.

Full information regarding our lower prices on binders, mowers, and all other harvesting, haying and corn machines, tillage implements, tractors, engines, and all other I H C farm machines can be obtained from any International Dealer.
