

Among Our Neighbors

South Hill

April 27. — Can see the green things growing since the late rains. The aged men make a good showing, but there are still more in the village who were not listed. A comparison of ages in the same number of the town's aged ladies would be interesting and perhaps show a better record, if they have outgrown the female's proverbial diffidence as to age.

Edson Langworthy, of Andover, was doing business over the hill Monday.

Mrs. Ella Casey visited her sons on the Harrington farm, Voorhees Hill one day last week.

Mr. McCormick, of Andover, was buying calves on the hill Saturday.

William Dean and family were doing business in Wellsville Monday.

Henry Horan came up from Andover Monday for a day on the farm.

Leland Livermore is slowly improving from several week's of rheumatism.

This has been calf week, and at eight cents per pound the farmers cannot be accused of profiteering. The buyers claim to be in a losing game (?) so who is the profiteer. Large quantities of potatoes are being marketed at thirty cents, so the farmers' empty purse does not balance with the boast of being "the man who feeds the world."

Independence

April 25.—Mrs. Erwin Briggs returned from Almond Saturday where she has been caring for her father.

The Ladies Aid Society will serve supper at the Parish House, Saturday evening, April 30th.

Mr. and Mrs. Henry Potter of Whitesville, were Sunday guests of Mr. and Mrs. W. J. Potter.

Miss Doris Maxson, of Alfred, visited at L. A. Potter's over the weekend.

Maxson Crandall entertained company from Andover Thursday evening.

Misses Elizabeth and Gertrude Carpenter, who have been living with Mr. and Mrs. A. C. Green, have gone to Elmira to live with their father.

The "store-program" must include more and more value-giving all the time—and better and better advertising of such "news" all the time.

Tip Top

Mrs. Frank Beach, of East Rochester, is the guest of her sister, Mrs. T. G. Burdick.

Mr. and Mrs. C. S. Rannels and children of Coudersport, Pa., spent the weekend with her parents, Mr. and Mrs. W. E. Baker.

Mr. and Mr. E. V. Greene and children and Miss Doris Van Orman were Hornell visitors Wednesday evening.

Mrs. N. M. Lanphear returned home Saturday after a few days visit at the home of T. C. Turner, of Alfred Station.

Mrs. D. L. Langworthy spent Monday and Tuesday with Mrs. W. E. Baker.

Clifford Burdick, of Besa Hill, spent Tuesday with his parents, Mr. and Mrs. T. G. Burdick.

David Yentzer, of Roulette, Pa., is the guest of his sister, Mrs. W. E. Baker.

M. H. Greene and family have moved into the house recently purchased of E. V. Greene.

Alfred University

Alfred, April 27. — Twenty-seven high schools which will bring about 350 entries have arranged to send teams to the annual interscholastic field and track meet to be held at Alfred University athletic field, May 18. This will make the meet the largest by far that Alfred has ever had. Lafayette High School of Buffalo, who carried off the championship silver loving cup last year, has entered again with some worthy opponents. The preliminaries will be held in the morning and the finals at 2 o'clock.

Another cup will be presented this year to the school winning the relay race. Gold, silver and bronze medals will be given athletics winning the first three places in each event.

The events include 100 yard dash, quarter mile run, half mile run, mile run, cross country run, 220 low hurdles, 12 pound hammer throw, 12 pound shot put, running high jump, running broad jump, pole vault and relay race. A boys' and girls' prize speaking contest will be a part of the program, also a stock judging contest.

Interscholastic day at Alfred has grown to be the biggest day of the college year. Contestants and visitors flock in here in great numbers and the town is almost overrun.

Delta Sigma Phi will be held at the Wellsville Country Club, Saturday night. The program announces a delicious menu to be served by Claude E. Smith. The officers of the club are: President, Oliver Ferry; vice president, B. C. Davis, Jr.; secretary, Max Compton; treasurer, Alfred Whitford; sergeant at arms, Kenneth Holly.

PHYSICAL TRAINING

Alfred, April 27. — One of the courses to be emphasized at the Summer School at Alfred University this year is the course in Physical Training.

Katherine C. Ward, who so satisfactorily served a director here last year, will fill the same position in the coming session. The gymnasium has been remodelled and is better equipped than ever before to furnish a desirable course in physical training. There is a wide and insistent call for teachers and positions with good salaries are always to be had in desirable localities. Miss Ward will teach esthetic and folk-dancing and offers a course in voice training, and aid in the development of correct speech. Summer School begins July 5th.

Amazing Reductions Offered During Our Great Inaugural Sale

If You Can't Find It In Your Home Stores—Come to Hornell

Maytime! and it Means a Lot!

Not in four years has Maytime meant so much to the public. The reason is plain. Your dollar today will buy more than it would at any time in four years. That's a broad statement, but it's true.

In many instances one dollar to-day will buy as much as two dollars a year ago. In some instances it will do even more. For prices are down, and the big sores of Hornell want you to know it—and reap the benefit.

Maytime is the time to discard the old and don the new. Whether it's suits, coats, dresses, shirts, shoes, hats—anything at all that your family needs—you'll save much money by buying in Hornell.

Home needs, too, are vastly cheaper. Furniture and floor coverings, furnishings of all sorts, have not been so moderately priced in years.

The stocks in the Hornell stores are complete, bright and new. In no city will you find a finer array; nowhere will you find prices so modest.

Bring the whole family to Hornell. Let them visit the stores and see what is new. Let them pick out the things they need and want. You'll be surprised at the moderate cost.

The merchants of Hornell invite you. Visit the Hornell stores and see how much farther your dollars will go.
