It's easy to bake in a cool, clean kitchen!

YOU don't heat up the whole kitchen when you bake with a New Perfection Oil Cook Stove. It furnishes all the heat you need just where you want it—there is none lost. You can regulate it!
That's why it's so easy to make fluffy cakes, nicely browned pies and crisp, toothsome cookies! You can control the heat by merely turning the wick a trifle up or down, and you don't have to stoop over the oven. It is up where you can reach it and look into it—quickly, easily.
Tidy housekeepers like the New Perfection Oil Cook Stove. There's no wood or coal to be bothered with and no ashes or litter to clean up. The clear white tops of the New Perfection flame produce the most heat and don't soot up the bottoms of your utensils.
The New Perfection Water Heater is indispensable in the thousands of homes where it is in use. Furnishes hot water quickly and at a very slight cost.
New Perfection Oil Cook Stoves are made in two, three and four-burner sizes, with or without warming cabinet; also one-burner stove with no cabinet. New Perfection ovens are scientifically constructed so as to roast and bake evenly on all sides. Sold by leading dealers everywhere.
