

"SAVE IT, YOUNG MAN, SAVE IT"

An ambitious young man once asked the late E. H. Harriman how to be successful.

"Well, I'd take \$5,000—," began Mr. Harriman.

"But I haven't any money," interrupted the young man.

"Haven't \$5,000? Then go out and save it, young man, save it."

Young man, you must build your own fortune from the money you don't spend. The rule is so universal that exceptions don't count. Come to the State Bank, even though you have only ONE DOLLAR — this will start a Savings Account for you.

CONFER THIRD DEGREE ON CLASS OF SIX

Andover's Crack Degree Team Exemplified Last Degree of Subordinate Lodge on Local Class Tuesday Evening

Tuesday evening of this week a class of six candidates received the third degree of Odd Fellowship.

The Andover degree team conferred the degree in a faultless manner, and the evening was one of the most enjoyable that Whitesville Lodge has had in a long time.

The Andover boys came for a good time, even Joe Gilbert and Wm. Rice who always get "picked on" more or less, and they all had a genuine jollification.

Following the exemplification of the degree the visiting brothers and candidates were invited to the new dining rooms where an elaborate lunch had been prepared for the crowd. After the eats and visiting were finished somewhere around midnight the visiting and local brothers wended their ways home.

When Andover and Whitesville stage a visit 'nuff's said. — Whitesville News.
