WILL PRESENT THE ZIG ZAG FOLLIES

Some Show, Costumes and Music That Played to Three Packed Houses in Rochester This Spring

After an absence of three years, the Erharts are again with us, this season offering being the Zig Zag Follies, a production that the Rochester, N. Y. papers declare to be the best local production ever witnessed in this city, and that did at the Lyceum Theatre, Rochester, on March 28, 29 and 30, 1921 a gross of nine thousand two hundred dollars which in itself speaks in no uncertain terms as to the sterling worth of the production as an amusement vehicle.

Elaborate preparations are now under way by the talent committee and the various soloists, choruses, pantomime and spectacular dance features are rapidly being placed for their work in the big spectacle. The talent this year will unquestionably be the best ever assembled in Andover for a like production, and as Mr. Erhart carries a wealth of special scenery, beautiful costumes and electrical effects, there is no question but that the offering will prove of exceptional beauty and artistic excellence, worthy of coming a long way to witness.

SOCIETY WOMEN MAKE CLEVEREST THIEVES

She is universally known as the most beautiful girl in America. Artists and sculptors have begged her to sit for them, poets have used her as their inspiration and men have seen and adored her. Her hair is like spun gold, her eyes like the dazzling blue waters of a lake with the sun shining on it and her cheeks like the priceless pale rose corals. Her beauty awes one. You wonder how God could have made anything so exquisitely perfect as this woman. She wears magnificent clothes and jewels; she has everything money can buy. She is lovely beyond words and still she is a thief. But she's not an ordinary thief. You wouldn't expect so extraordinarily beautiful a woman to do anything in an ordinary way. Not at all. In her chosen profession, she does the cleverest and most profitable work in the world. She is the cleverest and most profitable thief in the world.

But, reader, do not be alarmed. But, reader, do not be alarmed. The most beautiful girl in New York is not always a thief. Hardly! Only in her first starring picture for Reelart does she take the role of a thief. In "Blackbirds," one of the most exciting "crooks" plays of recent years Miss Johnstone makes her debut in this city on Wednesday, at the Auditorium Theatre. It is not a tale of slum life but of thieving and smuggling by the wealthy who move in good society, often suspected but rarely detected. Miss Johnstone wears many sumptuous gowns in the production, which was directed by Jack Dillon, who directed Mary Pickford in "Suds."

A visit to any good store at any time is always a pleasant experience. But readers of advertisements learn what such visits are most profitable.

SAXAPHONE SIX

SCORE BIG HIT

Schliesmann's Saxophone Six, including two Hornell boys, Harold Brainard and Harold McIntyre, played at the Majestic Theatre last evening and gave two capacity audiences one of the few real musical treats of the season. Led by a black face comedian who spiced the performance with laugh after laugh, Schliesmann's Saxophone Six proved just about the best organization of its kind ever heard in Hornell. They made their audiences sway in their seats with both classical and ragtime. They answered encore after encore from an insistent audience who seemed determined to keep them on the stage all the evening. McIntyre and Brainard, both well known here, are accomplished musicians, and are to be congratulated on having identified themselves with so splendid an organization. —Hornell Tribune-Times.

TO THE ENROLLED

VOTERS OF ALLEGANY COUNTY

I wish to announce to the voters of Allegany County that I am again a candidate for the nomination of Supt. of Poor to be voted on at the September Primaries. Your support is solicited.

WILLIAM H. HALL

FOR COUNTY CLERK

I wish to announce to the Republican voters of Allegany County that I am again a candidate for the nomination of County Clerk to be voted for at the September Primaries. I trust that my conduct of the office during my three terms, has made such that I may again merit your support at the Primaries and Election. I beg to assure the many patrons of this office that I greatly appreciate their courteous and kindly treatment during my incumbency of the office and assure each and all that, if re-elected again, I shall endeavor to do the best of my ability to render to all the best service of which I am capable.

D. P. SNYDER

TO THE REPUBLICAN VOTERS OF ALLEGANY COUNTY

I desire to announce to the voters of Allegany County that I am a candidate for the nomination for Member of Assembly.

At this time I wish to give a summary of my candidacy last year. I did not enter my name until almost the last minute allowed by law, yet I was only beaten by about 200 voters voting against instead of for me. I am a stranger to many people in the County who will want to know what my home folks think of me. I carried my home town almost unanimously and all the surrounding towns. Our present Assemblyman, after five terms of office, carried his home town by only a small majority. He did much better in the towns where he was not known so well.

Please read my articles which will appear from time to time on what we need and what we are getting from Albany.

Rushford, N. Y.

DEAN D. GORDON

FOR MEMBER OF ASSEMBLY

I desire to inform the Republican voters of Allegany County that I am again a candidate for the nomination for Member of Assembly to be chosen by the September Primaries. I trust that my record in the Legislature has been such that the Republican voters will again nominate me, and the voters of the county again elect me to represent Allegany County in the Assembly of 1922. I appreciate the confidence of my constituents in their electing me to this important office for six terms, and assure them that if re-elected I will endeavor to have always done in the past to represent them and carry out their wishes to the best of my ability.

BELMONT WINS SUNDAY'S GAME

Andover Lost a Good Base Ball Game to Belmont, Here, Sunday, By a 6-7 Score

Belmont won Sunday's game in that seventh inning again. That seventh opened up with the score standing 2 to 3 in our favor. The first run came up safely, but the next two were easy rollers to the infield that would have been easily fielded in any inning but the seventh, but they both got away. This gave the visiting boys a lot of confidence and they immediately took advantage of the situation. By the time the storm had cleared, four hits and 3 errors had given the Belmont boys 5 runs making the runs 7 to 3. In the eighth and ninth innings they went out in one, two, three order, but that lead obtained in the seventh was sufficient to carry the day.

The local boys staged a rally in the ninth, but were able only to put three men across thus losing the game by a 7 to 6 score.

Worrell pitched a fine game for the local club, allowing only eight hits and passing up but one man. G. Crooks of Belmont started the game for that team, but was forced to pass the buck to his brother, R. Crooks, a speedy southpaw, at the close of the fifth inning.

The local ball team has been playing against the best breaks of the game for the past month, and now that the sheet is balanced up, having played 12 game, won six and lost six, it is about time for the tide to turn again. The local club is as strong a base ball organization as any of the amateur clubs in this section, but even the Major League Pennant Winners have their losing sheets.

TO ELIMINATE BAD DEATH TRAP

Hornell Chamber of Commerce and Automobile Club Out to Do Away With Bad Golf Bridge

President William G. Hollands, of the Hornell Chamber of Commerce announced the members of the committee he has appointed to cooperate with the Hornell Automobile Club Committee in regard to the Goff bridge death trap. The members of this committee are: Frank H. Humphrey, Benjamin C. DeWitt, Charles Thacher, William G. Masterman and Walter Kreidler.

This committee and the one appointed by President James E. Schwarzenbach of the Hornell Automobile Club will take up the matter with the officials and residents of the Town of Hornellsville. It is expected that a meeting of some kind will be arranged for the near future.

The demand that something be done at once is getting more and more insistent and it is to the advantage of the township inasmuch as it may become liable for damages in the event the state should condemn the bridge.

Two powerful organizations are now at work on the proposition and something definite is likely to be accomplished very shortly. The Hornell Automobile Club has taken a definite stand in the matter and the Chamber of Commerce has joined in the effort.

Both President Schwarzenbach of the Automobile Club and President Hollands of the Chamber of Commerce are interested in the matter and have appointed very capable committees to look after the matter.

ERIE LOSES MUCH BUSINESS

Central Gate Express and Train No. 9. Comes Out of Service

The fast Erie express train No. 9, which has run for years was discontinued Monday and will be united with No. 13, according to an official announcement made recently.

Hereafter No. 13, which has been doing the local business along the road, will become a fast train making but two stops on the Susquehanna division, Binghamton and Elmira, and but one on the Allegheny, at Olean.

The reason for the cutting off of No. 9 has not been made public officially but it is understood that the express matter which it has been handling is now being sent over the New York Central.

No. 9 was a thru train, handling express matter consigned to far western points. It do no local work, whatever, the entire train being turned over to the Big Four at Gallion, Ohio. It was one of the best runs on the road and when business was good it was usually run in two sections. Its business has been good right along and every morning it went west with fifteen to twenty cars.

ODD FELLOWS PICNIC

Will Be Held at Cuba Lake Labor Day

It has been definitely decided by the committee of arrangements to hold the first annual I. O. O. F. picnic at Cuba Lake, on Labor Day, Sept. 5th.

All of the lodges in the county are now busy arranging at least one sport stunt for the occasion. A hot base ball contest is sure to be pulled off between two of the lodges at the new ball diamond at the Olive Pavilion.

It is estimated that over 2000 Odd Fellows, Rebekahs and families will be present at the gathering.

BURGLARS VISIT

KENMORE HOME

Kenmore was visited by burglars last Saturday night.

The home of Howard A. Inskip, cashier of the State Bank of Kenmore, at 36 Kinsey Avenue, was entered and a large amount of miscellaneous plunder taken while the family was asleep. Entrance was made through a window. In the loot was a pocket book, children's bank and clothing.

It is reported that residents of Kinsey and Wabash Avenues heard noises about their houses Saturday, and it is believed they also were due to these thieves.
