

Among Our Neighbors

South Hill

Aug. 10. — Reapers are busy. The Wellville Fair is on and according to tradition, "we should have rain this week."

Frank and Miss Nell Horan spent Tuesday afternoon on the hill, where Miss Horan was a pleasant caller upon former neighbors.

Frank Holmes, pumper on the Atwood & McEwen lease, met with a serious accident early last Friday morning, when the "clutch" of the engine he had just started on the Shields farm caught in his jacket and whirled him until his clothing from waist up was completely torn away which loosed the clutch and threw him to one side. His eyes brought Mr. and Mrs. Charles Baker, who had gone up with him that morning in quest of berries, and John P. Dean, who was at work in a nearby field, quickly to the scene. Dr. Grenolds and Mrs. Holmes were hastily summoned from Andover and later Mr. Brown's ambulance, which conveyed him to his home. His condition has been serious, but now shows signs of improvement which is good news to his many friends on the hill who wish for him as speedy a recovery as is possible.

NO REST — NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Andover people recommend Doan's Kidney Pills. Ask your neighbor! Be guided by their experience.

Ed Swain, Maple St., Andover, says: "I think hard work is what weakened my kidneys and brings on attacks of kidney trouble. When I stoop to put on my shoes, a sharp pain catches me in the small of my back and I can hardly raise up. I have a frequent desire to pass the kidney secretions and have to get up several times at night. For the past eight years, at these times, I have used Doan's Kidney Pills, procured from the Brundage Drug Co., and they fix me up in a hurry and put me on my feet."

Mr. Swain gave the above statement October 6, 1916 and on August 13, 1919, said: "I am always ready to testify to the merits of Doan's Kidney Pills for they surely are a fine kidney and bladder medicine. I use Doan's occasionally as a kidney tonic and they keep my back and kidneys strong and in a good condition."

FOR COUNTY CLERK

I wish to announce to the Republican voters of Allegany County that I am again a candidate for the nomination of County Clerk to be voted for at the September Primaries. I trust that my conduct of the office during my three terms, has made such that I may again merit your support at the Primaries and Election. I beg to assure the many patrons of this office that I greatly appreciate their courteous and kindly treatment during my incumbency of the office and assure each and all that, if re-elected again, I shall endeavor to the best of my ability to render to all the best service of which I am capable.

D. P. SNYDER

TO THE REPUBLICAN VOTERS OF ALLEGANY COUNTY

I desire to announce to the voters of Allegany County that I am a candidate for the nomination for Member of Assembly.

At this time I wish to give a summary of my candidacy last year. I did not enter my name until almost the last minute allowed by law, yet was only beaten by about 200 voters voting against instead of for me. I am a stranger to many people in the County who will want to know what my home folks think of me. I carried my home town almost unanimously and all the surrounding towns. Our present Assemblyman, after five terms of office, carried his home town by only a small majority. He did much better in the towns where he was not known so well.

Please read my articles which will appear from time to time on what we need and what we see coming from Albany.
