

SIGN-BOARDS ON THE UP-ROAD

Hamilton B. Williams

Who is God?
God is a personality, Father and Friend, and very close.

Who is Man?
Man is an intelligent creature, born immortal, with capacity for endless development. Man is a brotherhood.

What is Life?
It is a value indestructible, the development of which is worth every effort of every man; every effort of God, to perfect.

What about responsibility?
That is the recognition that grows out of a certain status in intelligence.

What about service?
Service is the expression of a character that has become self-conscious. Spiritual illumination within reveals the Race as objects of one's measure of power-constructive.

What is the World?
It is a stage in evolution. Cursed? God never cursed anything. He would cease to be God so doing.

What about the Universe?
The Universe is a community. Here and There are terms of our ignorance. We always — are; always in the Universe.

Is there Purpose?
It is written on every trail.

What is eternal Life?
Eternal Life is that development of intelligence which knows God.

Is Religion Rational?
The rational only is religion.

What about religion as a life?
A life that functions properly is religion.

Why the Religion-of-Jesus?

Because he set forth the reverence of God and reverence of the personality of human being as the achievement of every human soul.

Who are in the fellowship of Jesus? They who do the Will of God. What is the Will of God? The Good, the True, the Beautiful.

Professor Coe says of the modern religious life: "We have not to tell men to take unto themselves something foreign to their nature. Our invitation is rather this: 'Be your whole self, be completely in earnest with your intellectual sincerity, with your conscientiousness, with your love of fellowmen, with your aspiration of all that is good and true and beautiful, and you will find that a sense of God is the moving spring of the whole.'"

How may one know that one is working in harmony with God? When he is working in reference to the ultimate good of the Race.

Is Love rational? Love is the climax of intelligence. He that loveth knoweth God. He that loveth knoweth God to be in himself. He that loveth knoweth God to be Love. To be God must be — Love.

TO THE ENROLLED VOTERS OF ALLEGANY CO.

I wish to announce to the voters of Allegany County that I am again a candidate for the nomination of Supt. of Poor to be voted on at the September Primaries. Your support is solicited.

WILLIAM H. HALL.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Andover testimony. A. Wilcox, prop. Wilcox Hotel, Main St., gave the following statement October 5, 1916: "I have used Doan's Kidney Pills off and on for several years. When I have an attack of kidney trouble, I suffer from lameness and soreness across the small of my back. It affects me worse in the morning when I get up. The action of my kidneys is irregular and the secretions are highly colored. I use Doan's Kidney Pills right away, getting them from the Brundage Drug Co., and they always fix me up."

On August 13, 1919, Mr. Wilcox said: "Doan's Kidney Pills surely are a fine kidney, backache and bladder remedy. I am ever ready to recommend Doan's. I don't have any more trouble with my kidneys since Doan's cured me, so I cheerfully confirm my former endorsement."

Saving to Property Owners

Mr. Property Owner, whether you are owner of a village or city dwelling, a village or city block or frame mercantile building or block, or a set of desirable farm buildings, you are more or less interested in insurance coverage for your property.

Would a saving of 20 per cent. on the insurance premiums that you are now paying be of interest to you, insurance in companies as safe and strong and even stronger than the companies that are now protecting your property?
