Except a few items the price of which is restricted by the manufacturers—10 per cent is the smallest amount you will save during this sale

Ready-to-Wear at a Tremendous Sacrifice

IMPORTANT

We ask every reader of this announcement to fix firmly in mind these vital points about the Semi-Annual Sale.

FIRST—Everything in the store is included in this sale—except a few restricted items—lowered prices on new as well as Spring merchandise.

SECOND—The merchandise is all of those superior qualities for which the Babcock store has been favorably known over sixteen years.

THIRD—In order that everyone may have a fair chance to secure the savings we offer, the sale will continue for seven days. We cannot guarantee, however, that all items will last throughout the sale, since in the case of limited quantities and the most sensational price reductions many offerings will be closed out early in the sale.

FOURTH—Sale prices are for Cash Only. One of the main objects of the sale is to secure cash for incoming Fall merchandise. Goods charged will be at regular prices.
