

FARMING IS A BUSINESS

It is the biggest business in this country and the farmer must have a knowledge of buying, selling, shipping, as well as skill in management.

Then, there is the financial side of farming.

Any information that we have at hand on markets, business conditions, methods of managing farm work or safe plans for farm money matters, are at your disposal.

Our experience in the past has been in large part with the farmer. This experience may be valuable to you in your farm work. It will be important to you only as you make it useful.

"I smiled - and he shot me"

AFTER MONTHS and months MY WIFE persuaded me TO HAVE it done. SO I went around TO THE photographer. AND GOT mugged. WHEN THE pictures came I SHOWED them to a gang OF AMATEUR art critics. AND PROFESSIONAL crabs. DISGUISED AS friends WHO FAVORED me. WITH SUCH remarks as "DOESN'T HE look natural?" "HAS IT got a tail?" "A GREAT resemblance." AND THAT last one MADE ME sore. SO WHEN friend wife ADDED HER howl I TRIED again.

THIS TIME they were great FOR HERE'S what happened. THE PHOTOGRAPHER said "LOOK THIS way, please." AND HELD up something. AS HE pushed the button. AND NO one could help BUT LOOK pleasant. FOR WHAT he held up WAS A nice full pack OF THE cigarettes THAT SATISFY.

LIGHT up a Chesterfield and sense the goodness of those fine Turkish and Domestic tobaccos in that wonderful Chesterfield blend. Taste that flavor! Sniff that aroma! You'll register "They Satisfy." You can't help it.
