A large number of houses in the village have been brightened with fresh coats of paint in the last few weeks, among them to appear in new dress are the residences of H. E. Robinson on Elm Street and Mrs. Mary Warfield on Greenwood street.

Charles Goodrich of Canisteo fell from an elevated platform used for icing cars, at the American Ice Company between Canisteo and Hornell Saturday afternoon. He struck on his head 18 feet below on the railroad track and sustained serious injuries.

Walter Redmond, a former student of Andover High School expects to enter a hospital at Sayre, Pa., for an operation. The young man has been ill for some time and his many Andover friends trust this may be the means of his regaining his health.

The home of E. L. Jarvis and Howard Ellis, former Alfred residents, was entirely destroyed, by the recent flood at San Antonio, Texas. The families barely made their escape with their lives. Mr. Jarvis was employed in the News office several weeks at one time and will be remembered by many of our citizens.

Andover people for the past few weeks have been suffering from an epidemic, what the physicians call intestinal gripe. It wouldn't be stretching the truth to say that nearly one half of the people of the village have suffered more or less with the malady. Two of the News force have been incapacitated the past week on account of the trouble.

Attention should be given by those engaged in filling silos to the warning by the Department of Agriculture, that no one should ever enter a partly filled silo, after the ensiled corn has had an opportunity to develop carbon monoxide gases over night until the machine blower has been turned on it for at least two minutes. Every year many accidents occur from this source of poison.
