Alfred College Quest. Largest from Editor Persons Indian

Registration reputration in the history and a registration in the history and college office has filed 102 certificated, and with the late registrations on the part of those who are unable to be back for the opening day of college, it is hardly possible to predict the total freshman registration or the aggregate for the entire cdf-lege.

This years changes in the faculty are as follows: Dr. R. S. Ferguson is to be in charge of the Department of Biology; Dr. A. J. Adames is at the Bloogy; Br. A. Adams is at the head of the Department of Latin and Greek; Professor A. A. Radasch is to teach Ceramic Chemistry; Elemen-tary Chemistry and Physical Educa-tion for the Bris, are to be taught be Dr. Mirism Farcuson.

tion for the girls, are to be taught by Dr. Mirjam Ferguson. Football looks very promising this year. Coach Wesbecher had 20 men out for the first practice on Monday and it is predicted that the team will shape up into good form at an early date this year. Old letter men back are Stryker, Witter, R. Campbell, B. Campbell; Ahern, Peck and Bliss. The new men are Burns, Backheld, Hogson in the line and Gardiner of Horson in the line and Gardiner of motored from Whitesville Sunday Wellville, who bids fair to play some and were visiting at Mrs. Bessette's snappy football this fall. There is to former home here. snappy football this fall. There is to be a practice game arranged with a semi-pro team for September 30, and the first college game is to be this seasom There is to be a practice game arranged with a semi-pro team for September 30, and the first col-lege game is to be with Alleghany October 8th.

It is very gratifying to all who are in any way connected with Alfred College to observe the rational steady growth which the institution is mak-ing from year to year. Affred's pol-icy has ever been to offer the heat ob-tainable instruction to its students tay has ever been to other the heat on tainable instruction to its students, and at the same time to keep college expenses within reach of all. In both aims remarkable success has been achieved and trustees and others feel

THE EXTREME AVOIDED-The Beautiful and Appropriate Accented Thus do PRINTZESS Garments Attain True

Tailored Style--Printzess Coats and Suits Are

Shown at Babcock's.

Teminine fancy finds perfect expression in a new Autumn Printzess Suit

GREAT fashion authority once said that a tailored suit is the base of every well-dressed woman's wardrobe.

In these Printz originations is embedied the subtle Parisian touch. In the stand combination of fabric, color, decoration and detail of workmanship, lies their distinctiveness.

These railleurs for Autumn show numerous interest-ing variations of design wiffelf provide styles for many types and needs, in women's and misses sizes. There is a very interesting group of fire dimmedimodels—a large variety of embrodesed suits and costs—a dissinctive collection of plainly tailored garments emphadeing beauty of line.

It is not only style distinction but the worth of Printzess febrics and the excellence of Printzess tailoring that give to the wearer of a Printz model the

You will be surprised to find that Printisess coats and suits are moderately priced, no higher than many garagents of questionable value and infinitely more desirable.

We suggest that you make your selection early.
