PORTLAND, OREGON

THE STORIES OF A CAREER
 The special pre-medical course, which is a feature of this year's curriculum and is attended by some students, is designed to prepare a student to enter any medical school in the country. The assembly speaker was Prof. Clawson, who will give a book review entitled "The Story of a Career."

At the first meeting of the Seminar in the Study of Drama, in Kenyon Memorial Hall, Wednesday night, Prof. Adams gave a paper on the historic development of Greek tragedy.

The Eta Phi Fraternity had a little informal party in the form of a smoker at their home, Tuesday night. A musical program and light refreshments were given.

Among the books just received at the library are a hundred German text books which are the gift of Frank Crumb, editor of the "Sun."

Pres. Davis will be in New York until Thursday, working on the endowment fund. A number of small pledges have been received, but about \$40,000 still remains to be raised.

A correction should be made that Patterson High School stands first among the high schools outside the state in the number of members in this year's Freshman Class. Wells-ville and Hornell High Schools are high schools in this state both exceed it in the number contributed. Latest reports from the registrars office indicate that only three men are classified as specialists in the Organic school, which has at present a total registration of 102. Three new Freshmen have registered making the freshman class number 100. The registration of the college and Ceramic School now totals 257.

The Delta Sigma Phi Fraternity held a dancing party at their house, Saturday evening.

NOTICE TO CREDITORS

In pursuance of an order of the Surrogate's Court of Allegany County, New York State, made by Hon. Elba Reynolds, Surrogate of said County of Allegany, Notice is hereby given to all persons having claims against the estate of El. Ellsworth Clarke, late of the Town of Andover, Allegany County, New York, deceased, to present the same with proper vouchers thereof to the undersigned administrator of the estate of said deceased, at his home in the Town of Andover, N. Y., on or before the 12th day of November, 1921.

Dated at Andover, N. Y., May 11, 1921.

CARL V. CLARKE,
 SAMUEL B. CHANDALL,
 Administrator.

If it's for rent, say so to the people who are reading the "For Rent" ads nowadays.

Mrs. Esther Baker of Andover spent from Saturday until Monday with her parents, Mr. and Mrs. W. E. Baker.

Mr. and Mrs. A. C. Baker spent Monday afternoon in Hornell.

Mr. and Mrs. A. D. Wilcox, of Hornell, and Mr. and Mrs. E. V. Greene are spending a few days in Cleveland and Warren, Ohio, guests of the latter's brothers, H. C. E. G. and W. C. Greene.

Mr. and Mrs. F. M. Lee and Mrs. C. W. Williams were Hornell visitors Monday.

Elm Valley

The first snow storm came on Sunday night to tell us winter was here. Mr. Territory has moved to Wells-ville.

Mr. Depledge has gone to his home in Fredonia.

Mrs. Walter Dowler has returned from the Wellsville Hospital where she had her tonsils removed.

Mrs. Carrie R. Leonard and Annet Maggie Leonard are now located in their home in Mauch Chunk, Pa. for the winter.

A number from this place were in Andover Wednesday to attend the funeral of C. B. Lewis.

Mrs. Edna Guinn is the guest of her grandmother, Mrs. Wahl.

Alfred University

The members of the faculty, students and townspeople were quick to seize this opportunity of honoring Bishop Brent, one of the foremost religious statesmen of today, at the joint meeting of the Y. M. and Y. W. C. A. Sunday evening.

Bishop Charles H. Brent holds the degrees of A. B., A. M., D. D., S. T. D. from such colleges as King's College, Harvard and Yale. He was president of the International Opium Commission, and a member of several other similar commissions. He was appointed bishop of the Philippines soon after they were taken over by the U. S. and had a great part in the work there. During the war he was distinguished as chief of the chaplain service in the A. E. F. At present Bishop Brent is bishop of the Western New York Diocese of the Episcopal Church.

Emphasizing the need of the religious element in education, Bishop Brent said in part: "No one becomes great by chance, but always by choice. Inner power and real strength of character comes only to those who build on a solid foundation of religious training." The divorce of religion from the rest of life was ascribed as the cause of the apparent failure of many college men and women to attain the success expected of them. Defining an expert as "a man away from home," he warned against the danger of too close specialization without a sufficient background of general culture. The unity of knowledge is complete and we cannot neglect the religious or any other element and still attain the highest in character and personality.

The talk as a whole was so well organized and stated that it made a strong appeal to all.

A visitor told by H. White '26 was encored.

On a slippery field with a high wind blowing Alfred defeated Mechanics Institute of Rochester by a score of 14 to 0 in the opening practice game of the season. Both teams were made up largely of new men who

Statistics show that one out of every three senior men is out for athletics, one out of every two and a half junior men; and only one out of five sophomores, and one out of six freshmen. Why can't more of the undergrads come out and help make the team what it really should be?

The student body are right back of the team this year and are going to do their best to make it a winning team. The mass meeting in Ag Hall Thursday night was one of the best attended and peppiest meetings we have ever had. Starting promptly at 7:30 Cheer Leader McMahon didn't let things drag for a single moment.

Interpersed between the songs and yells were words from the members of the team and short talks by Dr. Russell Ferguson and Coach Wesbecher. Gold foot-balls were presented to the former graduate manager, Prof. Bennehot, and to Coach Wesbecher as tokens of the esteem in which they are held by the Athletic Association.

The first touchdown was made by Wittes in the second quarter. This was followed by a touch back in the third quarter and a second touchdown made by Ahern in the last, making the score 14 to 0 as both goal-kicks were missed.

While the Alfred line-up in the beginning of the game was indicated below, all the other men, including McMahon, Clark, Josephson, Boyd, Cole, Pearr, Griffith, Daffy, Ingoldby and De Salvo were given a chance to get into the game and show their ability.

The following was the line-up:
 Ingoldby, le; Bliss, lt; Peck, lg; Ahern, c; Teal, rg; Horton, rt; Campbell, re; E. Campbell, q; Wittes, hb; Burns, hb; Gardner, fb.

The line-up for Mechanics was as follows:
 Corkey, re; Pepper, rt; Connelly, rg; Ayers, c; Mahoney, lg; McNett, lt; Manthe, le; O'Reilly, q; Holden, hb; Blanchett, hb; Slavin, fb; Substitutes: Piper, Marsden, Bards, F. Whitford, referee.
 E. Coons, umpire.
 Holly, head linesman.
 Wingate and Slasher, linesmen.
 Time of quarters, 12 minutes.
 The first real game is coming next Friday when the purple eleven plays Allegheny College, on their own field next Friday. This is a big game for Alfred and Coach Wesbecher is extremely disappointed to have so few men out for practice when the game is so near. There weren't enough men out for practice to have two teams for scrimmage Monday afternoon.

Dr. Ide presented, at the faculty meeting, Tuesday night, a paper on the statistics he has been gathering in regard to the Freshman Class.

The Barth brothers were in Bradford at the beginning of the week to observe the Jewish New Year, "Rosh Hashanah," which began Sunday evening, October 2nd, at sunset, continuing until sunset on Monday. The New Year and Day of Atonement, which occurs ten days later, are regarded as the two most important holy days.

In the assembly address, Wednesday morning, Dr. Russell Ferguson, the new head of the Natural Science Department, presented the need and the possibilities of medicine as a profession for both men and women. The requirements of medical education are constantly being raised thus making it more difficult for those desiring to take it up, but in the end, according to Dr. Ferguson, no profession affords better returns either

Sunny Side

School let out for a week, but the weather is too disagreeable for the boys to help much in the potato field.

Harry Bagby, who is digging potatoes for E. J. Greenan, spent the week-end with friends in Andover.

John McDonough, who is working with him, that it is a better plan to stay by the fire than to venture out in the storm Saturday, so he stayed at his boarding place.

John and Julia O'Hern accompanied by several relatives of Wells-ville, motored to Hornell Sunday.

Edmund Fitzgerald is home from Wells-ville for a week or so to help his father dig potatoes.

Joe McDonough was a business caller here this week.

Mr. Rockwell and family enjoyed an apple pie for dinner Saturday. The apples were some of 1920's crop, which he had packed away carefully and were in good condition when he unpacked them.

STIRRED HER TO INDIGNATION

Mother Simply Could Not Stand for Repetition of Odious Word by Her Smart Boy

She was indignantly waving a refinement. She had on the new make-up of the elect. Her clothing was faultless and there was a look of keen intellectuality in her face. With her, says the New York Mail, was a beautiful little boy—not exactly a Little Lord Fauntleroy, but a little chap with his eyes and a wealth of tousled hair.

I noticed them, the lady for her dignified bearing and the boy for his bright face, as I sat down just in front of them on the suburban train. Pretty soon I heard the little boy say, evidently referring to me:

"Ain't that a funny hat that man has got on? Ain't it an old hat, mon?"

No reply.

"Ain't he a funny looking man, mon? Ain't he?"

No reply.

"Ain't he a funny looking man, mon? Ain't he?"
