South Hill

Oct. 19 — The beautiful fall weather has been a great aid in the potato harvest which is nearing completion in this section.

Mrs. R. McAndrew returned to her home in Andover Saturday after spending two weeks with her daughter Mrs. Appier who has nearly recovered from her recent illness.

Mrs. Jim Dean and children spent Saturday night with Andover relatives.

Mrs. Lizzie Huggins spent a few days last week in the Wellsville Memorial Hospital.

Henry Garvin, of Andover, was a business visitor on the hill Tuesday.

Mr. and Mrs. John Keough, of Wellsville, and the Misses McAndrew, of Andover, were calling Sunday at the home of D. J. Appier.

South Hillers have been enjoying for some time, apple pie of the 1921 variety. No cold storage fruit.

Miss Eva McAndrew, of Andover, spent Monday with Mrs. Dan Appier and family.

And now the crafty huntsmen are abroad in our land seeking wild game.

Among the many motorists over the hill Sunday, on pleasure bent, (or was it chestnuts?) were Charlie Lynch and family, Lou Snyder and family, and Miss Nell Horan, Mr. and Mrs. John Wahl, Mr. and Mrs. Porter Richardson, Miss Mary Raufenbarth and Andrew Fuller.

Mrs. LaFrone Clark, of Fulmer Valley, has resigned as teacher in this district, and Miss Grace Hann of Wellsville, now has the position.

The buzzing of so many post office boxes in Andover, will make the running somewhat exciting, and relieve the monotony of that quiet burg during the threatened railroad strike.

South Hill is well represented on the town ticket with the names of Rob. Deane as supervisor, and his many friends would be pleased at his "winning out."

Baby Accused Privately

Captain Vines, of the steamer Canada, which docked at Proctorville, R. I., wired his superiors in Montreal that a baby boy who was born aboard the vessel during the passage from France had been named in honor of the steamer, Auguste Canada Perre L'Amour. The officials extended to the little fellow the lifelong privileges of the boat, so whenever Canada wishes to visit France he may do so as a guest of the Canada or any other part of the line.

NO REST — NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Andover people recommend Doan's Kidney Pills. Ask your neighbor. Be guided by their experience.

Ed. Swain, Maple St., Andover, says: "I think hard work is what weakened my kidneys and brings on attacks of kidney trouble. When I stoop to put on my shoes, a sharp pain catches me in the small of my back and I can hardly raise up. I have a frequent desire to pass the kidney secretions and have to get up several times at night. For the past eight years, at these times, I have used Doan's Kidney Pills, procured from the Brundage Drug Co., and they do me up in a hurry and put me on my feet."

Mr. Swain gave the above statement October 7, 1913, and on August 10, 1919, said: "I am always ready to testify to the merits of Doan's Kidney Pills for they surely are a fine kidney and bladder medicine. I use Doan's occasionally as a kidney tonic and they keep my back and kidneys strong and in good condition." 60c. at all druggists. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

LOVERS OF BEAUTIFUL RUGS

May Select Whittall Products Once More

Frankly, we haven't been boasting recently of our position as exclusive agents for Whittall Rugs—the fact being that the production of the Whittall looms was so limited that our allotments were not sufficient to meet the demands of our patrons. In many instances customers have waited months to secure a Whittall Rug rather than choose one of inferior quality.

However, the other day we received a part of our Fall order (we don't know when we will get the balance) of these marvelous rugs and we take this opportunity of announcing their arrival in order that those who have the purchase of a fine rug in mind this season may come in and select while we are able to show Whittall products.

Hornell merchants are taking losses

The only way the country can ever get back to normalcy is through the co-operation of all. If people will buy the things they need, then merchants can add to their stocks, and mills and factories will be kept busy supplying orders.

We realize that the way to move goods is to cut the prices low enough to make them attractive. That is what the merchants of Hornell have done. To-day the big, fine stores of Hornell are selling quality merchandise at lower prices than in many years. They are taking losses when necessary.

There is no better place in all Western New York to shop than in Hornell. Not only are prices lower than in larger cities, but you get that personal service which means so much. Hornell merchants stand back of the articles they sell—ready to make good any complaint you may have.

The fall stocks of merchandise are now on display. There are new things in wearing apparel and in home furnishings. You will find that your dollars will go much farther in Hornell stores than in most places and you are assured of the utmost in value.

Take the whole family one of these bright October days and pay a visit to the attractive, modern stores of Hornell. You'll be surprised at how much more you can buy for your money than you could a year ago. And you'll all have a delightful day in a pleasant and bustling city.

Remember that Hornell merchants are in business to please you. You must be satisfied above all else. On that basis the merchants are building for the future.

Plan that shopping trip to Hornell.

You'll enjoy it.
