Save Hearts Really Broak

Says Hearts Really Brosk.

Poets and romance writers for ages
have been on firm ground when they
have pictured broken-hearted swains
and maldens.

According to Dr. Strickland Goodall,
a noted heart specialist, it is a physilogical fact that hearts do break. But
he says, joy and not woe or hard work
is more frequently the cause of a
broken-heart. In his long experience,
the his found that emotion rather than,
hard work has been responsible for
broken hearts.

"Don't get into a temper," says Dr.
Goodall, "because it increases the
heart's work by seventy-two foot
pounds. Running unstairs is foolish
because the lacreese is 152 fool
phomas. It man spends one day inbed weekly he saves his heart 998,400
cost rounds."

An English Tommie, fond of boast-ing of his ancestry, took a coin from his pocket and pointing to the head engraved on it said: "My great-great-grandfather was made a ford by the ting whose meters are this

grandsaker was made a ford by the king whose picture you see on this shifting."

"What a coincidence!" said his shifting and his stones procongraved on it said: "My great-greatgrandsather was made an angel by
the indian whose picture you see on,

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Dosn's Kidney Pills. Read this Andover testimony. A Wilcox, prop., Wilcox Hotel, gave the following statement Cettoler 5, 1916: "I have used Dosn's Kidney Pills off and on for several years."

A Wilcox, prop., wilcox Hotel, gave the following statement october 6, 1916: "I have used Doan's Kidney 7, 1916: "I have used Doan's Kidney Pills off and on for several years. When I have an attack of kidney trouble, I suffer from lameness and sorness across the small of my back. It 'affects me worse in the morning when I get up. The action of my kidneys is irregular and the secretions are highly colored. I use Doan's Kidney Pills right way, getting them from the Brundage Drug Co., and they always fix me up."

On August 13, 1919, Mr. Wilcox said: "Doan's Kidney Pills surely are a fine kidney, backache and bladder remedy. I am ever ready to recommend Doan's. I don't-have any more trouble with my kidneys since Doan's cured me, so I cheerfully confirm my former-endorsement."
