## Alfred University

There will be a meeting of the Mathematics Club in Babcock Hall, at 7:30 Wednesday evening. Prof. Seidlin will speak. This is the first meeting this term and all students interested in mathematics are urged to be present.

The Y. M. meeting Sunday evening was a special meeting on the subject of "Football," and several of the members of the team spoke on the theme from different viewpoints. John McMahon spoke on "Sportsmanship," Robert Campbell on "Fairplay," and Edward Teal on "Teamwork."

All of the men emphasized the training in fairness and clean play which they had received under the present coach. The effect as decidedly inspiring and it is only to be regretted that more were not present to appreciate it. Before the close of the meeting, Donald Burdick, the president, outlined the budget which must be raised this year.
