## RENEWED TESTIMONY

No one in Andover who suffers backache, headaches, or distressing urinary ills can afford to ignore this Andover man's twice-told story. It is confirmed testimony that no And-over resident can doubt.

Rodolpho Howland, Barney St., Andover says: "I do a great deal of heavy lifting and I think I strained my back, which affected my kidneys. Many times when I was in a stooped position and tried to raise up, a sharp pain caught me in the small of my back and I could hardly straighten. My kidneys acted irregularly and the secretions were unnatural. As one of the family had used Doan's Kidney Pills with success, I used some from the Brundage Drug Co. They greatly relieved me in every respect."

NEARLY THREE YEARS LATER Mr. Howland said: "I have had no trouble with my kidneys since Doan's cured me. I stand back of my former recommendation."
