AND

January Clearance

Beginning Saturday Morning January 13th

Continuing Until Saturday Night, January 20th

Twice a year it is our custom to hold a gigantic STORE-WIDE SALE. It's part of our merchandising policy. The complete clearance of seasoned lines. The clearing out of broken or incomplete lines. The reduction of surplus stock, and the quick raising of cash to make a more favorable financial statement at inventory time.

To bring about these results, we are glad to sacrifice prices—to dispense with profits—to even disregard original costs in many instances. And so at this time of the year just before our annual stock-taking we always hold a gigantic sale—A Sale That Brings Folks From Miles Around—To Share in the Savings of the Great Babcock Sale.
