

AMONG OUR NEIGHBORS

South Hill

Jan. 30. — We are still moving "on top" the from Sunday's down-pour of snow, did not expect to be by Monday.

Miss Mary Raufenbarth, of Andover, was the guest of Mrs. Robert Dean last Wednesday and Thursday. Mont Crance was up from Andover Sunday. He is now working on the ice there, and Mr. Blower is caring for his stock on the farm.

Lynch Bros. are drawing lime from Andover.

Mrs. Appier and son, Richard, spent Saturday night with her parents, Mr. and Mrs. E. McAndrew, of Andover.

We were glad to see Mr. Church back on his mail route again after an enforced vacation with the gripe. He now considers himself well versed in all the signs and counter signs of that same "gripe."

An Andover club of young ladies, of which Mrs. Robert Dean is a member, were pleasantly entertained at her home Thursday afternoon. Each one's best came up later to enjoy the hospitality of Mr. and Mrs. Dean, and also the fine sleighing.

The share-holders in our telephone line are holding a meeting in Andover to-day.

Tip Top

Mr. and Mrs. Albert Wilcox, of Hornell, were Sunday guests of Mr. and Mrs. E. V. Greene.

Mr. and Mrs. T. G. Burdick spent Saturday on Bass Hill, guests of Mr. and Mrs. Clifford Burdick.

Mr. and Mrs. Ora Woodworth, of East Valley, spent Tuesday of last week at T. G. Burdick's.

Mrs. C. W. Williams and daughter, Frances, spent Sunday afternoon at F. M. Lee's.

Mrs. Mary Wilber, of Santa Anna, Cal., is the guest of her sister, Mrs. A. C. Baker.

Mr. and Mrs. E. V. Greene spent Monday afternoon in Alfred, guest of his mother, Mrs. M. A. Greene.

Mrs. Albert Baker is spending some time in Hornell.

Mr. and Mrs. Leon Sisson, of Alfred, spent Tuesday afternoon at A. C. Baker's.

Mrs. Frank Langworthy spent Saturday and Sunday at home.

Miss Mildred Dodge is on the sick list.

Lynn Langworthy and Miss Artheda Hyde, of Alfred Station, were callers in the valley Saturday evening.

Mr. and Mrs. T. G. Burdick spent Tuesday evening at B. S. Baker's.

Mr. and Mrs. W. E. Baker spent Wednesday at E. V. Greene's.

Using "good money" to pay for "advertising" intended to reach people who do not read newspaper advertising is a poor use to which to put good money — for the person who does not read newspaper advertising does not read any other kind, either. He does not know how to read.

How many of its probable buyers know that your property is for sale?

Independence

Jan. 29. — School is closed part of this week for teachers conference at Hornell.

The Home Bureau met for their first lesson in sewing and election of officers Tuesday p. m.

Mrs. Nina Palmer, of Almond, has been a guest of Miss Anna Laura Crandall.

Mrs. Harold Hardy and son, Donald, of Auburn, were called home Thursday, as her mother, Mrs. Livermore, is seriously ill.

Mrs. W. D. Clarke is ill with grip. W. J. McGraw was called to the March Friday. His father and mother were ill.

The Ladies Aid Society will serve dinner at the Parish House, Wednesday.

Mrs. D. E. Livermore is slowly improving.

Mrs. W. J. McGraw is in Hornell this week attending teachers conference.

Jesse Grossman is home from Friendship.

Voorhees Hill

Jan. 30. — Mr. and Mrs. H. B. Adams were guests of his brother, W. E. Adams of Proctor District, Saturday night and Sunday.

The neighbors spent a jolly evening at the Van Schaick home, Thursday.

Victor Perkins expects to attend Wellsville High School the remainder of the year.

Mr. Spencer from the State College at Ithaca, was a business visitor at Burritt-Perkins, Monday.

Herman Dean visited his family at Wellsville, Sunday.

Miss Ena Simkin was in Andover Wednesday afternoon, to have some dental work done.

Davis Hill

Several of the farmers attended Dairymen's League meeting at Andover, Monday.

Charles Hulse was a business visitor on the hill the first of the week.

Mrs. Gertrude Joyce spent the week-end with friends on the hill.

Mr. and Mrs. Will Childs and son, Carl, spent Wednesday with Mr. and Mrs. Paul Childs.

Mrs. Elmer Walden is under the doctor's care this week.

Floyd Slocum is doing carpenter work on the house of LeRoy Davis.

Marie Joyce closed school part of the week as she is attending a school conference at Hornell.

Mrs. Frank Davis visited Mrs. Clara Scribner, Wednesday.

Mr. and Mrs. Paul Clifford Burdick entertained Mr. and Mrs. Clifford Burdick and family Sunday for dinner.

Dr. Claris, a state veterinarian, of Buffalo, was a professional visitor of C. F. Davis, Tuesday, to examine a cow which was condemned for tuberculosis. The animal was killed and found free from the disease.

If you lost it, the finder wants to find you.

Should Hollow News

Elwin Wheaton was a visitor at Frank Slocum's, Sunday.

Mr. and Mrs. Elmer Greene were guests of Mr. and Mrs. James Nobles at Andover, Sunday.

Mr. and Mrs. Johnie Mitchell were in Andover, Sunday.

Edward Clancey was a visitor at James Mitchell's, Sunday.

John and Ada Mitchell were guests at Frank Slocum's, Monday.

James Mitchell went to Andover with a load of potatoes Monday.

Lottie Slocum was in Andover to try Regents in spelling, Tuesday.

Dewitt Wheaton was calling on Frank Slocum Tuesday.

James Mitchell was in Andover Tuesday.

Fred Brewster, of Greenwood Hill, was in Andover, Tuesday.

Harry Ray was calling on Frank Slocum, Wednesday.

Lottie Slocum has been confined to the house on account of tonsillitis, the past week.

William Slocum was a guest at D. W. Wheaton's, Wednesday evening.

George Smith, of Greenwood Hill, was in this locality Wednesday.

Elmer Green assisted John Will and son Johnie butcher a hog about nine months old for Frank Slocum, which dressed 265 lbs., Friday.

John Will and family were in Andover Saturday.

Tom Swain, of Andover, was in this vicinity Saturday.

William Slocum was a caller at Dewitt Wheaton's, Saturday.

The joys of married life are never fully appreciated until after they have disappeared.

Perhaps, the fact that time waits for no man accounts for so many people never having to pay their bills.

YOUR BOWELS

Waste-clogged—Feeble—Irrregular—Poisoning the Blood—Will Wreck Your Health

DR. DAVID KENNEDY'S FAVORITE REMEDY

Surely acts to safely and agreeably correct this dangerous, unfortunate condition. Clears out poisons; also aids healthful, normal action of stomach, liver and kidneys. Forty-seven years' reputation. Good druggists will supply you.

WHEN EVERY MOVE HURTS

Lame every morning, aching and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbor.

Extra Zelfiff, carpenter, Water St., Andover, says: "Heavy lifting and exposure weakened my whole system and as a result, I began to suffer with my kidneys. Every muscle in my back was all drawn up and as lame and sore as it could be. It was torture for me to bend over, because wful pains would catch me in my back every time I attempted to do so. My kidneys were congested, and irregular in action. The secretions were highly colored and I had to get up several times at night to pass them. I began to use Doan's Kidney Pills and before long, they cured me of the trouble."

Price 60c at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills — the same that Mr. Zelfiff had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SEED OATS FOR ALLEGANY COUNTY

The proved worth should be the basis for deciding which variety of any seed to buy. Yet many men buy seed oats on the looks of the sample offered and the weight per bushel. Both of these factors are of much less importance than the known performance of the variety in our own state, and over a period of years. Plump heavy kernels are usually an indication that the climatic conditions where the grain was grown were very favorable. These conditions may be very unlike those of New York State.

Remember, then, that when you buy oats — grown, let us say, in Northern Michigan, Wisconsin, Montana, or elsewhere — you do not also buy the climatic conditions which produced them. The fact that the oats grown there are of high quality does not mean that, sown as seed, they will produce a crop of like quality.

Progressive farmers are learning this and are coming more and more to using varieties of proved merit. Seed of such varieties, while not so plump or heavy, gives higher grain yields than the sorts from other states. Such varieties are giving splendid satisfaction in the hands of many growers. Practically every mail brings to the college letters of praise from satisfied users of these varieties.

The varieties recommended by the college are Standwell, Empire, Cornell Treated, Selection No. 343, Cornell and Victory. There is a splendid lot of seed of each of these varieties available this year for the first time. The fields of the growers have been inspected by a representative from the college and each grower has submitted a threshed sample which he guarantees is representative of all the seed he will

offer for sale. During the season 1922 an oat variety demonstration carried on by the Allegany County Farm Bureau gave very good results in favor of the above varieties. The demonstration was conducted on the farm of W. H. Swartz in the Town of Allen. The varieties with the exception of one were sent to the county agent from the State College. The results obtained were:

Variety	Yield in bu. per acre.
Cornell Treated	70.7
Selection 343	79.5
Empire	70.1
Cornwell	72.5
Standwell	50.1

Your county agent can put you in touch with a recommended source of each variety, and you will do well to consult with him or write to the department of plant breeding, College of Agriculture, Ithaca, N. Y. and a list of sources will be sent you.

It's tough on a henpecked husband when the law holds him responsible for the debts contracted by his wife.

Everybody knows what everybody else ought to know, but nobody seems to know what they really do know.

A man is presumed to be the head of his own family, but too often the head is the smallest part of the body.

"Take time by the forelock," says a local wisacre. But you won't get trampled upon if you grab it by the tail.

Young men of to-day are quite justified in objecting to long engagements. It's cheaper to foot grocery bills.
