Alfred University

(Press Club)

Feb. 6. — A new sport is being added to the list of activities of the athletic department of Alfred University in the form of wrestling. This has come as a result of a request of several students for the sport. The men are fortunate in having such an able coach as Prof. Seidlin, who is a Cornell letter man. The only matches so far arranged are between groups of Alfred men. Indications point, however, to the development of a team for intercollegiate matches.

Last Thursday evening about 80 Klan Alpine men and friends took part in a sleigh-ride to Almond where a supper and dance were held.

The funeral of Frank G. Place was held at the home Saturday, Feb. 3rd.

Prof. Wingate's latest song "Thank God For Him" was sung at the dedication of the Frank Victor Thompson High School, at Boston, Mass., on Wednesday, Jan. 10th.

This Thursday the varsity basketball team is to meet Westminster on the home court. When the Alfred team played them at New Wilmington last month, they were beaten by only three points. The records of both teams show that they have improved much since they met in January and a fast contest will result.
