spicy stories during the years that but let's boost the farmer, too, and Possibly we have deprived certain reading them, but we have at the L to any citizen who has a plan ( same time saved many a torn and suggestion to offer for the good of WES, than by the guilty nexty. his town and countryside

NE of the greatest blessings on this earth is the privilege of rendering some useful service which will help our fellowmen, keep our own mind busy and give exercise to

It is good for a man to be out of work once in a while; it teaches him what a real blessing work is. Prison keepers tell us that the worst punishment

they can inflict upon a man is that of solitary confinement, where he is shut off from light and from WORK. We have a notion that this sort of punishment would

lose much of its cruel sting if the victim were permitted to work, even tho he could not see what he was doing. When a man comes to himself and finds work for which he is best fitted — the work which he loves best —

demand sweeping over the United he has found also, life's greatest gift, happiness. No man can be happy unless he is engaged in some This demand does not come alone sort of work that he likes. The idler may seem to be from the man in the city or town happy, but he isn't. If he smiles at all it does not come

A great many have the mistaken notion that money degree of comfort when touring or brings happiness. It doesn't; at least it doesn't if the person who has it quits working on that account. Happiness We have the automobile to thank comes not from HAVING, but from DOING. It is not for this much, for without the auto- the mere possession of wealth that makes a person happy mobile we would have drifted along \_\_\_ it is the enjoyment he gets out of pursuing, working in the same old muddy ruts for years and achieving; from using wealth in the endeavor to Talk the necessity for better coun- multiply it; it is the game and not the tool with which the

try roads wherever you go. Talk it game is played, that brings happiness. in season, between seasons, and out There would be mighty little fun in a long hardwood of season. Talk it all of the time. stick which tapers from one end to the other if it were Some people may not want to hear not for the baseball that goes with it, and the game which

Likewise there would be mightly little fun/in owning a wheelborrow full of gold if it were not for the great

Be a good roads booster and you game of WORK that one could play with such a treasure. What a wonderful blessing it would be if human beings could learn to quit skimping, sacrificing, cheating one another and resorting to every stealth known to the COMETIMES we hear some thotless human mind to get hold of a few paltry dollars in the be-
