

## Take Your Choice . . . . .

In nearly every community there is some shiftless, poverty-stricken man. In the same town you will doubtless find a man who is prosperous, happy, well-to-do. This town of ours is no exception.

You have met both kinds. Stop and think. Which man do you admire? Which one would you take for a model? Each man can tell you the story of why he is in his present condition. Ask them. In most cases you will find that the prosperous man has worked and saved, while the shiftless one has done mostly the opposite. Of course we know your choice. Start an interest account with us.

## Our School

Last Friday evening, one of the fastest and cleanest games of the season was played on the local court between Wellsville and Andover boys quintets. The game was in charge of A. H. A'Hern of Alfred University and his decisions and rulings were satisfactory to both teams. Wellsville showed a great brand of sportsmanship thruout the evening. Future games between these two teams are expected. The line-up was as follows:

Andover (22)  
Joyce (Capt.) R. F.  
Faisant L. F.  
Leahy C.  
Hyland R. G.  
Harvey L. G.  
Wellsville (28)  
Alexander R. F.  
Tompkins L. F.  
Shine C.  
R. Gardner (Capt.) R. G.  
Taylor L. G.

Field goals: Alexander, 6; Tompkins, 2; Webster, 1; R. Gardner, 2; Joyce, 5; Faisant, 1; Leahy, 2; Harvey, 1.

Foul goals: Tompkins, 6; Leahy, 4. Referee: A. H. A'Hern. Substitutes: Webster for Shine; Shine for Taylor.

Timer: A. Bloss and Fuller. Scorers: Dean and Harder.

Monday afternoon, the classes on the upper floor of the High School building were invited by the Grange to attend a moving picture presented by the Michigan Limestone Company. School was ended at 2:45 o'clock so all could be at the I. O. O. F. Hall by 3 o'clock. The picture showed the qualities of limestone and the manner of using it. Also several reels were devoted to the showing of the process of its manufacture.

Friday evening, March 9, the Andover Girl's Basketball Team will journey to Wellsville to engage the Wellsville Team in a Basketball game. Andover especially desires a victory over Wellsville because in so doing they will become the champions of Eastern Allegany and earn the right to play the victor of Western Allegany. A record of rooters from Andover would greatly inspire and encourage the girls to victory. The game will be played (tonight) so be there!

The Boys' Basketball Team of Cuba, N. Y. are now the champions of Allegany County. Two games were

played by them with Alfred to decide the championship. Both of these were won quite easily by Cuba, one being played at each town.

The second meeting of the Parent-Teachers' Association was held at the school house, Friday afternoon, at 4 o'clock, at which time officers were chosen as follows: Mrs. Watson, President; Mrs. J. P. Cannon, Vice-President; Miss Annette Taylor, Secretary, and Mrs. L. R. Tubbs, Treasurer.

At this meeting, it was decided to hold one regular meeting on the first Friday of each month, at 4 o'clock, at the school house. It was also voted to make the first Friday in each month, a parent's visiting day. Some time during each month a special meeting will be arranged for by the committee. All parents and friends are urged to visit the school, and attend both the regular meeting and the special meeting.

Tuesday evening the Town Team Basketball players journeyed to Richburg. Richburg came to Andover earlier in the season and won by 30-10, but this time the Town Team proved their worth in a good and fast game. The score was 23-21 in the favor of Richburg, but one of their baskets could be officially counted out on account of it hitting the ceiling first. This would then give us at least a tie game. Richburg comes to Andover again Tuesday evening, March 13th. The same teams will

line up and a good crowd is wanted. Come! Tuesday, March 13th!

## Comments

"Wall," said Farmer Wilkins to his city boarder who was up early and looking around, "been out to hear the haycock crow, I s'pose," and he winked at the hired man.

"No," replied the city boarder. "I've just been burying the frogs that croaked last night."

Rube Arb (after a visit to the city) "One of them city fellers tried to sell me the Woolworth building."

"What did you say?"

"I sez, all right, young feller, wrap it up."

"Has the baby had the measles yet, Mr. Smith?"

"Sh-sh sh! Don't speak so loud, Whenever he hears anything mentioned that he hasn't got he cries for it."

The girls admit that they lost the game at Friendship, but they won't admit what the right score was. You aren't ashamed of it, are you girls?

When the boys played at Angelica they were greatly honored by being right in the midst of such an atmosphere as "The Old Home Town," gives off. An old store collapsed during the game and after cleaning out the spot and repairing the boys were compelled to play in a game for the first time in a long while. The game was a close one and the boys were very much
