

## "Company" Manners

"When do you say 'Thank You?'" asked the teacher. Little Johnnie replied: "When we have company."

That must be what they call "company manners." Our Bank has no company manners. We try to treat everybody alike, every day in the year. We try to be courteous, accommodating, friendly. If we can be of service to you, kindly call and tell us your needs. We take pride not only in having a good, strong, reliable Bank, but also in our helpful service. We invite you to take advantage of our excellent banking facilities.

HORNELL GIRL HAS SLEEPING SICKNESS

Hornell, March 11. — Florence E. Emerson, aged 12, has again been overcome by a mysterious malady.

Seated at her desk at a local school late last week, she inclined her head forward and rested it on the desk. Every effort was put forward by teachers to awaken her, but without avail. She was taken to her home in the ambulance and still remains in the state of coma termed sleeping sickness.

She is the daughter of Mr. and Mrs. Floyd Emerson, of 93 James Street. Some months ago, a brother, Lyle Emerson, of the same address, was found under a truck at the O'Donnell barn. Doctors found that he, too, was suffering with the peculiar sleeping sickness, peculiar to the sister, Florence.

Physicians claim that the cause of the malady of the sister and brother is from indigestion following influenza.

By winning twice in succession from Alfred, the champion high school basketball team of the eastern section of the county, the Cuba quint, becomes champion of the county; and as this is the third year it has won the county cup, the latter becomes the permanent possession of Cuba.

The team will now play with the champions of other counties in the state in the course of the state-wide contest.

This game will be exceedingly fast and well worth seeing. The Home Team is determined to win a decisive victory over the Wellsville quintet, and all ardent fans should be present. A good preliminary will be fixed before that date and a neutral referee also on hand. Come!

The Senior Class has now a bountiful supply of beautiful and attractive pencils for sale. The price is five cents each and they must be sold immediately. Notify a member of the class how many you wish to have.

Several bulletin boards with pictures and writing on them are distributed thruout the halls of the High School building. They were placed there as a forestry exhibition. Thruout the whole state a great drive is now underway to encourage the preserving of forests. The pictures show how many acres of idle land have been already reclaimed by forest, but facts show that only three per cent of the land of New York State is occupied by forest, thus leaving 97 per cent that is not occupied by forest.

The cabinet members for the month of March are as follows:

First Grade — Ruth Whitman  
Second Grade — Linda Barton  
Third Grade — Evelyn Collins

Third Year — Mabel Wagner.  
Fourth Year — Celia Smith.

The Andover Town Team defeated the Wellsville Lincolns decisively last Tuesday evening, to the tune of 38-4. The home team played a fine game and were always on the offensive, while Wellsville tried feebly to put up some defensive work to stem the tide of baskets. Thruout the game Andover did not even have to lose their wind, for the game could hardly be called fast at all times. Next Tuesday the Andover Town Team will lock with the Hornell Warriors. Be sure and see the Town Team gain another victory at home.

The Parent-Teacher's Association will meet next Wednesday evening, in the High School building. All are urged to attend.

Comments  
Personal — Many girls from Andover, via Erie Train 541, witnessed the Andover-Wellsville game Friday night. The "young girls" returned home via automobile. One car had a flat tire, but the "girls" arrived home early, (in the morning).

The girls wonder about "Dew Drop Inn." Why not visit it sometime? The door is always open.
