

"Company" Manners

"When do you say 'Thank You?'" asked the teacher. Little Johnnie replied: "When we have company."

That must be what they call "company manners." Our Bank has no company manners. We try to treat everybody alike, every day in the year. We try to be courteous, accommodating, friendly. If we can be of service to you, kindly call and tell us your needs. We take pride not only in having a good, strong, reliable Bank, but also in our helpful service. We invite you to take advantage of our excellent banking facilities.

Andover State Bank

A. C. FRISBEY, Chairman
J. M. BRUNDAGE, Pres.

Colegrove, Mrs. Wm. Embser and Mrs. Jordan.

Preparing food in advance that will not be harmed by standing will let the hostess eat with her guests instead of leaving the table at the meal hour.

GOOD SEED CONTROLS DISEASES OF POTATO

Certified Stock Yields More Than Double Average for State the Past Three Seasons

With certified potato seed stock yielding more than double the average for the state the past three seasons, the State College of Agriculture at Ithaca thinks there is no sound reason for growers planting other than good seed, especially since certified stock is comparatively low in price this year.

The college also warns against the dangers of using seed from fields infected with mosaic and leaf curl, which are responsible for much of the "running-out" of potatoes. Mosaic is known to reduce the yield on the average at least one-third, and leaf roll at least two-thirds. All varieties grown in the state are subject to these diseases to a greater or less extent. Many fields in this state last year contained rather a large proportion of one or the other, or both, of these diseases.

Tubers from such infected fields are unfit to plant. Rather than use them, a grower could well afford to pay \$3 or \$4 a bushel for seed stock in which these diseases are reduced to the minimum required for certification.

TO BOOM NEW YORK STATE

New York Central, Adirondack Association and New York Hotel Men to Book Travel

New York State will make a vigorous effort this spring to entice the travelling public from making the conventional European tour, and to lure it to travel thru New York State and inspect the charms of the Empire State. Three distinct New York agencies will exhibit travelling and recreation advantages of the state at the 2nd International Travel Exposition, Grand Central Palace, New York City, April 9-14. These are the New York Central Railroad, the Adirondack Association and a group of New York hotel men.

The New York Central will proclaim the delights of travelling thru the state making stop over and the advantages of using the route thru New York to reach the far West. In the space reserved by the Adirondack Association, there will be built a real log cabin with realistic backdrop of lakes and mountains. The hotel men have contracted for space equal to four booths, which will be turned into a replica of a large hotel lobby, with desks, lounges and bellhops. Each hotel belonging to the association will have a desk in the lobby.

THE WEATHER

Following are the weather observations taken by the Andover Co-operative Station for the week beginning Thursday, March 15, 1923.

	Temperature

TREE PLANTED BY PRESIDENT

Memorial to Animals Lost in War Placed on White House Lawn

In memory of all the animals that perished during the World War, an elm was planted by the President and Mrs. Harding in the White House grounds, October 15th, in the presence of a hundred or more animal lovers. The tree, fifteen feet high and five years old, is just south of the east entrance of the White House, and was the first tree to be planted in memory of animals.

The idea was originated by Mrs. Wilson Groshans, of Aurora, Ill., who is humane officer of her state. She is present at the planting, together with Miss Dora Anderson of Batavia, Ill., who has at her home the grandmother of "Laddie Boy," the President's Airedale. Among others present were James P. Briggs, president of the Humane Education Society of Washington; Dr. W. O. Stillman, president and N. J. Walker, secretary

of the American Humane Association; Frank Baldwin, president of the Ohio State Federation of Humane Societies; and Mrs. Richard Hardy, president of the Chattanooga Humane Education Society.

A copper star will be affixed to the tree, with appropriate legend, by the American Animal Red Star Relief.

Tidbits From Our School

The Regents report from Albany concerning the January 1923 examination arrived last week. The percent of our accepted and written papers was very excellent; 71% of all papers written were accepted, while 96% of all papers sent to Albany were accepted there.

The lecture of Chester M. Sanford on the "Failures of the Misfits" was indeed very fine and highly instructive to young and old alike. After his lecture he gathered about him the Seniors and talked to each individually. The lecture was held in the study hall of the High School building, Monday evening. This completes the numbers on the Senior's Lecture Course.

The fine public session of the Parent-Teacher's Association was held at the High School building, Wednesday evening. About 75 people were present and if the enthusiasm manifested continues to grow, Andover has an asset to her school system that is sure to put her on the educational map. The program which was in charge of the president, Mrs. C. H. Watson, was as follows:

Piano Solo Miss Minnie Clair Remarks by the President Paper, "What a Parent-Teacher's Association Should Mean to a Community," Mrs. Myrtle Tubbs Responses by Miss Sara Jones, Rev. A. D. Shepard and Erwin Baker. Violin Solo Miss Alice Rogers accompanied by Mrs. H. D. Rogers Reading, "Let Her Cry It Out," Paper, "Spring Fever,"

Miss Elizabeth Latimer The Secretary, Miss Annette Taylor, read the constitution for the information of those present. A large number have signed up as members of the association. The program was closed by singing "America."

The refreshment committee served crullers and cocoa, and a very enjoyable social hour was spent. The next meeting will be Friday, April 13th.

YOUR COWS - Have they udders like these?

THIS condition of the udder and teats has everything to do with the milk yield. Avoid hard milking and restricted flow by keeping the udder soft and supple. Bag Balm guards udder health in thousands of dairies because its effect is so prompt and thorough. Its great penetrating and healing powers quickly clear up cuts, scratches, chaps, inflammation, bruises, soreheads on the body. For relief, call Bag Balm. It has no equal. Effective in treating Bunions and Cow Pox. Never get out of Bag Balm. It has so many uses in keeping little things from getting big. Druggists, general stores and feed dealers sell it. 50c for the 10-ounce package. If you have never tried Bag Balm, clip coupon below and mail to us for the trial free sample. Give name of your dealer.

Dairy Association Co., Inc., Lyndonville, Vt.

Please send me your sample package of Bag Balm, which I will try at the first opportunity.

NEW MEAT MARKET

The undersigned has opened a new Meat Market in the Mrs. Mabel Williams Corner Store and requests a share of the patronage of Andover people.

FRANK COCOMAN

Tuesday evening on the local court the Andover Town Team decisively defeated the "Unknowns" of Hornell to the tune of 33-17. The Hornell team was composed of skilled mesh-tossers, but the superior work of the Andover Team proved their downfall. The gate receipts were insufficient to pay the expenses of putting on the game and showed that the people were not backing the Town Team well enough. Look out for the next game and be sure to back them and see an Andover victory at the same time.

Comments "What made you get mad and leave the restaurant?" inquired Mrs. Cornotess of her husband. "Didn't you hear the waiter say the soup was mock turtle? We want genuine or nothin'." "It's not what you know, but what you do with what you know, that makes what you know worth anything."

By adding another syllable to "short" it becomes shorter.

A Tongue-Twister Susan shineth shoes and socks, socks and shoes shineth Susan; she ceaseth shining shoes and socks, for socks and shoes shock Susan.

We will now sing that little ditty entitled "Where Was Villa on Monday night?"

SCHOOL DISTRICT NO. 3. All unpaid school tax must be paid to Burrows National Bank before March 25th.
