

AMONG OUR NEIGHBORS

South Hill

(Too late for last week)
 Mar. 21. — The calendar says Spring, but old Father Winter still has supremacy.
 Howard Dean returned Saturday from Niagara Falls, where he was employed this winter in a manufacturing plant.
 Another resident has left the hill; Ray Hurlburt and family removing this week to a Rochester suburb, where he will be employed on a fruit farm. The best wishes of South Hill friends and neighbors go with them in their new home.

Bine McAndrew, of Wellsville, has taken Mr. Hurlburt's place on the Horan farm for the present.

Mrs. William Dean was an Andover visitor from Sunday until Wednesday. John Dean was a Voorhees Hill visitor one day recently.

Will Lynch has been on the sick list the past week. Charles Lynch, of Andover, has been helping with his work.

Michael Murphy returned recently from the West, and with his family, will again become a resident of Sunny Side, having bought the Murphy homestead in that vicinity.

The news of Mrs. R. McAndrew's death, on Saturday morning, was indeed startling to our residents, who from the reported improvement in her condition hoped for her ultimate recovery. Before her removal to Andover, three years ago, she had been a South Hill resident for over fifty years, one of the sturdy pioneer stock of former days, who established their new homes by great courage and greater industry. A good friend and neighbor to the many whose comings and goings she had noted in those long fifty years, but very few of our earlier settlers now surviving her. To her husband and family our residents extend much sympathy in their bereavement. Many from the hill attended the funeral, Wednesday, from Blessed Sacrament Church, Andover.

Mar. 28. — A real mid-winter blizzard is being enjoyed (?) on the hill. Here's hoping the lion expires by April 1st.

Dan Appier, of Andover, spent Saturday night with Young Bro's.

Miss Nellie Horan was on the farm with Leo, last Monday.

Sugar-making is slow business as yet. Mr. Halsey and sons are to make in the Horan bush.

Dean Bro's. shipped a number of fine dressed veal calves to the city, Tuesday.

Mr. Kibbie, of Wellsville, is to work for Leo Horan this season, and moved his goods and family to the farm home the first of the week.

Herman Dean, of Voorhees Hill, visited his father on Tuesday.

E. M. Livermore and son, Leland, were doing business in Wellsville, Tuesday.

Mr. Cook is moving his goods from the McLoughlin farm to a location beyond Andover. There has been more moving vans on the South Hill road this spring than any previous year in her history. Can we call it progress?

Mr. and Mrs. Stearns, of Greenwood, are guests this week of the Youngs family.

Ed McAndrew spent Tuesday on the farm, rigging up the water power. Mr. Trowbridge, of Andover, did the same on the Dougherty farm. A case of sickness and destitution in our midst has been reported to the proper authorities, who should act without delay.

Elm Valley

March 28. — Mrs. Jennie Eheling, of Batavia, spent the week-end at the home of her niece, Mrs. George Tucker.

Mr. and Mrs. Wesley Irwin and daughters, Mrs. Ashley Scott and Mrs. Bert Duell and children, of Canadea, were Sunday guests at Charley Cole's.

Mrs. Frank Lunn and daughters, of Wellsville, were callers at Charles Dodge's, Sunday afternoon.

Curtis Burdick and daughters, Florence and Wilma, were calling on friends here Sunday afternoon.

Mr. and Mrs. Wm. A. Howden and daughter, Gertrude, spent Tuesday night at Charley Cole's, on their way from Bell's Run, Pa. with a truck load of household goods to Richmond, N. Y. where they expect to live the coming year.

Rev. Whelan, of Andover, will occupy the pulpit in the Union Chapel on Easter Sunday, April 1st, at 3 o'clock. Sunday School at 2 p. m. Let there be a good attendance at both services.

A varied list of grip patients still continues.

Wm. Williams and family, of Stanards, spent Sunday afternoon at George Tucker's.

Loren Cole has been spending a few days with relatives and friends here.

Mr. and Mrs. Chas. Caple, Mrs. Clara Caple and Miss Edna Caple, of Andover, were callers at P. E. Caple's, Sunday afternoon.

Voorhees Hill

March 27. — P. H. Van Schaick is helping James Lewis, with his sugar-making this season.

Dr. L. C. Davie, of Wellsville, was a professional visitor at F. E. Fannon's, Thursday.

DO YOU INCREASE
your cost of Portland Cement

An unprecedented demand for Atlas exists right now — a demand that cannot be met unless the empty Atlas bags now in users' hands are returned. In the course of a year close to \$5,000,000.00 worth of bags are needed by Atlas. This would be a heavy burden on cement users if the bags were not returned and reused, so cutting down the number of new bags needed.

Return your empty Atlas bags promptly to your dealer. Help him, and help us, keep Portland Cement the cheapest of all manufactured products.

Only a Few Days Remain

Enough—but will they find you ready? On the day of days when everything must be new, will you feel older and faded and out of place because you've provided yourself with nothing new to wear or will you grow a year younger because of the thrills which the day holds for those who welcome it with the new.

So Much Diversity in Style

—is found in the new season's capes, coats, suits, dress and millinery that you may be "individually" costumed as never before. But through all the apparent abandon of style, there lurks a strong binding chain of the new and different from anything seen before. —and the fortunate thing about it all is that with current prices there's no need for anyone to remain behind the scenes of Fashion waiting for the players to retire that you may adopt their modes.
