Higgins Memorial Hospital of Olean has received \$400,000 by the will of James F. Johnson of that city who died a short time ago. The original appropriation for the hospital was made by Mrs. Frank Sullivan Smith of New York, as a memorial to her brother, the late Governor Frank W. Higgins. Later, Mrs. Smith added to her contribution \$30,000 for the erection of a dormitory for the nurses; two years ago the citizens of Olean contributed \$150,000 to erect a maternity building. The gift of Mr. Johnson is claimed to be the largest ever made to an Olean institution by a resident of the city.

TRAINING CLASS COUNTS

Several enquiries regarding the Teacher's Training Class certificates have come to us. As we understand it, the entrance qualifications are that students must be 17 years old to enter the class, hold an Academic diploma or have completed a four-year High School course. A Training Class certificate is good for three years. After teaching three years, if the person desires to continue, they must attend a Normal School, where they will receive credit for one year's work. This shortens the Normal course one year and saves expense. Training Class count may be credited toward an Academic diploma.

—That 1922 was a prosperous year for the oil industry in spite of the low prices for crude oil which prevailed throughout the major part of the period, is reflected in the annual report of the Salt Creek Producers Association, Inc., made public on Tuesday, which shows that in spite of enormous reserves for depletion of its wells, the company gained \$3,594,137 in surplus after payment of dividends at the rate of 12 per cent. a year, and that it closed the period with current assets nearly 100 times the total of current liabilities. Breeze.

—Knight Thornton, son of Mr. and Mrs. Lewis Thornton of Wellsville, won out in the annual spelling contest for Allegany County, May 21st, with a standing of 100 per cent. One hundred words were selected from the New York State list of 10,000 words, sent out from Albany. There were 14 contestants. Among others who received favorable mention were Robert Lynch of Andover, Gail Perryman of Almond, Fredericka Ballard of Rushford, and Wm. Osgood of Bolivar. Young Thornton was awarded a free trip to the State Fair at Syracuse in September.

HOMIE PHILOSOPHY For 1923

REMEMBER that Birthday when there were twelve candles on the cake and the big piece rested on the plate of that wonderful girl whose golden curls were the most beautiful in all the world—and then that birthday, when that girl with nut brown hair glanced shyly as Dad told you you were now a man. And then the birthdays came quickly, until there were no candles on the cake, but just a touch of thoughtfulness and love reflected in the making. Now in the mellow of years we can think of birthdays and their joys just as the mirror of the only birthday—the day we pass into life—into Eternity. Smile as the hour nears.

Don't make excuses to your wife. She feels better after handing you a piece of her mind.

When you have become perfect yourself you are competent to make suggestions for improvement in others.

Tidbits From Our School

Last Saturday the weather man decided to bequeath us a most wonderful day. The Base Ball nine of the High School, in return for his warm weather, gave to the few spectators a most wonderful base ball game, on the Silk Mill diamond. They proved that they were full of life, in fact, extremely vivacious and energetic. The invaders from Belmont were swept off their feet from the first inning on. When they came they were very sure among themselves that they would easily capture the victory, but the aggressiveness of the local nine put this opinion quickly from their minds. Everyone on the home team played commendably thruout the contest. The final score read 15-10 in favor of the home team. Andover led thruout the battle, always being from three to five runs in advance of their fast-tiring opponents. Andover's line-up for the game was as follows:

Leahy—Pitcher
Witter—Catcher
Joyce—First Base
Dunnigan—Second Base
Harder (Capt.)—Short Stop
Fasant—Third Base
Wereley—Left Field
Leahman—Center Field
Hyland—Right Field

Miss Sara Jones returned to school Monday morning to resume her teaching duties.

Only next week left of regular school work and the heat has been so intense that most of the students have acquired the sleeping sickness when they should be at their lessons harder than ever.

A slight accident occurred in the study hall, Tuesday afternoon. One of our young ladies proved too heavy for the fixtures on her desk. She imagined or intended that she was to sit down on the seat, but some unlucky fate proved it otherwise, for in a moment the seat had given way and

there she sat, not on the seat, but upon the floor. Thereupon laughter rang thruout our immense assembly hall. Yes, it was humorous, if not funny.

The Base Ball season of the High School of Allegany County is drawing to a close. Fillmore, by winning all of its games, has become the winner of the western division, while Almond, which has also won all of its games, has become the winner of the eastern division. These two teams will now play off in a series of three games, for the championship of Allegany County. The first game between these two will be played tomorrow, at Fillmore.
