

Ford Leads Harding In First Returns

More Than 55,000 Ballots Received From Fourteen States in First Week of Nation-wide Voting Contest Conducted by the Andover News and Other Country Newspapers.

Some mighty startling figures are presented as ballots of the first week of voting in the News' nation-wide Presidential Voting Test are tabulated. These early returns are from fourteen states and are an authoritative indication of Eastern, Mid-Western and Southern state presidential choice in small towns and rural America.

A total of 55,591 votes had been received as this paper goes to press. Henry Ford is leading the field with 16,788. And here is the surprising angle to the first returns. Governor Al Smith of New York, who last week signed the state prohibition repealer is running ahead of President Harding and second to Ford with a total of 14,436. Harding is lead by Ford by about 500 votes. The President's vote is 11,471.

Smith's vote, however, is virtually all from New York State. As a matter of fact, he is running ahead of Ford in New York by more than 4,000. Smith's heaviest vote outside his own state was from Pennsylvania, altho he collected votes in Florida, Oklahoma, Maryland, South Dakota, Illinois, Kansas, South Carolina, Ohio and Massachusetts.

The real voice of the voters is heard in the Ford and Harding votes. The Detroiters seem to be equally popular in all sections of the country and is piling up small majorities in virtually every community.

Illinois, Maryland, and Ohio give Harding an early lead over Ford. But New York, Florida, Oklahoma, Pennsylvania, Minnesota, Kansas, South Carolina, Missouri, Michigan, and Massachusetts give Ford majorities.

Harding leads Ford in Ohio, the President's state, 1,417 to 1,346. Ford leads Harding in Michigan, the Detroiters' state, 1,234 to 567.

Of the fourteen states, many of which are in the Democratic South, voters seem quite divided. Cox is running ahead of McAdoo, 2,412 to 2,200.

Hiram Johnson is running next to the President in the Republican possibilities with 1,819 votes. Then comes, La Follette with 905.

Bryan received 663 votes, Underwood 549, Pinchot of Penn., 524, Hoover 480 and Hughes 377.

In Collier's Weekly straw vote, fifth week of voting as announced in its issue this week, June 20-23, Ford leads with 54,257 to Harding's 32,924.

The Collier face-to-face straw vote is representative of the city and larger town choices. Both Hughes and Johnson show remarkable strength there. Cox and McAdoo are running far ahead of the field in big city Democratic ranks.

The Collier vote this week, with a total of 165,514 votes counted, shows, Ford, 54,257; Harding 32,924; McAdoo, 13,023; Cox 11,044; Johnson, 10,538; Hughes, 9,453; Smith, 7,875; Hoover, 6,541; La Follette 4,480; Leonard Wood, 3,432; Underwood, 2,318; Borah, 2,629 and Davis 1,999.

In the Andover News poll, many favorite sons showed surprising strength in their own commonwealth but could only be tabulated in our scattered votes column inasmuch as they received no votes outside their own states. For instance: In Missouri Senator James A. Reed leads Ford 512 votes to 407. In Pennsylvania Governor Pinchot, who stands as a "Dry," polled 465 votes. Senator Capper polled 114 votes in Kansas and Owen 27 in Oklahoma.

Have you voted yet? The News polls do not close until July 1st — but we urge you to vote to-day.

The voting is entirely non-partisan. Party lines are down. Just pick out the man you think best fitted to be our next president, be he Republican, Democrat, Socialist, Progressive, or Farm-Labor, clip the ballot below, write in your choice and mail or send it to the News office. You do not need to write in your name, because the voting is just as secret as when you enter the election booth.

Vote to-day. Let's show the rest of the nation who New York State wants to be our next president.

The voting in Andover has been light this week, but is nearly equally divided between Republicans and Democrats, the latter leading by only one vote.

President Harding is leading on account of the difference of opinion

among the Democrats. Hughes is the only other Republican candidate. Al Smith received the greatest Democratic vote, running only one ahead of Ford.

We will give the actual vote in Andover in the first issue of July.

Dpn't be in too big a hurry to say "yes," girls. You won't have mother to wash the dishes for you then. And besides, the rabbit that sits down and waits for the dog is not worth eating.
