

What Every Successful Man Knows

The man who has worked for his accumulations; the man with responsibilities of success—he knows the necessity and full value of established relations with a first-class banking organization.

No matter what your work may be, you are striving for success. Start today to establish your credit. This bank can assist you. Carnegie's great fortune started in a small saving account while he was delivering telegrams as a tiny lad in Pittsburgh.

PORTLAND CEMENT

a daily necessity

PEOPLE once thought of it for sidewalks only. Today no type of permanent building is erected in which Portland Cement is not an important part—adding to its permanence, its safety, its fire protection.

Your building material dealer knows types of construction, knows materials. Ask his advice on both—he knows the necessities for good building.
