WATER SYSTEM WILL BE PUT IN GOOD CONDITION

Village Has Purchased Land Around Springs. Will Be- gin Work at Once.

The Village of Andover has purchased of P. A. Dean the land on which are located the springs supplying Andover with water. The purchase price was \$2,500.

This is a most wise move, as now the village has the right to go ahead and do work on the springs and not trespass on its neighbors. We are informed by President Atwood that there is plenty of good pure water there, much more than is required for the village when it is properly confined.

The services of Hydraulic Engineer Charles Hopkins, of Rochester, has been engaged by the Village Board and will come to Andover in a few days to look it over and tell us what to do to obtain plenty of pure water.

The Board is anticipating doing a large amount of work on the water system this fall so that we will not soon be troubled with a scarcity of water. Retaining walls will be built at the springs and the springs put in good condition as soon as it is possible after the plans have been approved by the state, as is now the requirement.

GIRLS' CAMP OPENS AT EGGLESTON PARK.

Fifty-four Allegany County Girls Enjoying Merry Party at Camp.

The Blue Triangle Camp for Girls to be held at Eggleston Park is ready to open August 3. Every available place is taken. A total of 54 girls is registered representing 13 communities. The contemplated schedule is as follows:

- | | |

| | Miss Kinney |
| 8:00 | Breakfast |
| | Devotions (tent leaders) |
| | Blankets to air |
| 9:30 | Groups (older and younger alternate) |
| | (a) Athletics Miss Kinney |
| | (b) Nature Study Mrs. Dudley |
| 11:00 | Swimming lesson |
| | Miss Kinney |
| 12:00 | Inspection |
| | Mrs. Snyder |
| 12:30 | Dinner |
| 1:30 | Store |
| | Rest hour |
| 2:30 | Groups (older and younger alternate) |
| | (a) Clay modeling Miss Stillman |
| | (b) Music class Miss Swarthout |
| 4:00 | General swim |
| | Miss Kinney |
| 5:30 | Supper |
| 7:00 | General sing |
| | Miss Swarthout |
| | Campus games Miss Kinney |
| 8:30 | Campfire |
| 9:15 | Tent vespers |
| | Tent leaders |
| 9:30 | First whistle for bed |
| 9:45 | All quiet |

A tent group consists of 8 girls and a leader. The following have been secured as leaders:

Laura Russell Friendship
Ruth Lewis Alfred
Marie Hunt Cuba
Lillian Warfield Andover
Winifred Stout Wellsville
Lois Bryson Wellsville

Thursday, August 9, is visitors day and since the short period for camping and the arrangement of the schedule makes interruption inconvenient, we wish to urge parents and friends to respect the ruling of no visitors except on Thursday. Evening visitors have become so frequent during the boys camp as to hinder the activities, therefore we request that visitors confine themselves to the appointed day, Thursday, August 9.

It is hoped that the ten days at Camp will be full to the brim of both interest and inspiration for all the girls who are to attend.

It's really amusing to watch an old bachelor watch a young man kiss a young girl. He immediately begins to contrast what has been done by what he could do.

FINED \$50.

Tom McAndrew Got the Goat of a Wellsville Man. —Then Fined.

It's all right when Andover men get reckless in driving their cars that they should pay the price. They are no better than other people, and should be made to live up to law. If it takes a stiff fine to do it, they should take their medicine.

Judge Bundy said a whole mouthful when he said \$50 to Tom McAndrew Saturday morning. Tom paid it, and we haven't heard of his saying a word.

But how about the other fellow from Wellsville? If the News is correctly informed, McAndrew passed him on the road. He got sore because the little Chevrolet went by his big Hudson. Stepped on the gas, drove by McAndrew and then proceeded to crowd him into the ditch, and then ran up town and squealed. It looks to us as though another \$50 should have been coming into the coffers of the state from Wellsville.

CLOSES SUCCESSFUL SEASON AT CAMP SHENAWANA

List of Those Winning Hon- or Emblem During this Season at Camp.

Camp Shenawana closed Tuesday, July 31st, having completed a successful season. Fifty-seven boys representing 11 different communities have attended Camp.

The following have acted as tent leaders during the season.

John Kelsey	Wellsville
Carroll Cole	Wellsville
Paul Geer	Wellsville
Earl Baker	Wellsville
Dow Stannard	Wellsville
Richard Fuller	Friendship
Joe Clark	Westfield
Ernest Stewart	Wellsville

The following boys have won the honor emblem of the Camp this season consisting of the red triangle with the block S.

Richard Fuller	Friendship
Joe Clark	Westfield
Robert Conrath	Cuba
Gordon Lacy	Cuba
Knight Thornton	Wellsville
Guilford Cass	Richburg
Stirling Beach	Wellsville
George Duke	Wellsville
Don Cummings	Wellsville
Edmond Coleman	Wellsville
Billy Duke	Wellsville
Earl Baker	Wellsville
Paul Geer	Wellsville
Carroll Cole	Wellsville
Howard Coleman	Wellsville
Leonard Theetge	Andover
Theodore Cobb	Spring Mills
W. M. Pierce	Honorary Dunkirk
Dean Temple	Honorary Huntington,
	West Va.

Mr. E. F. Stearns, Honorary Andover. The following is a list of the tests necessary for winning the emblem:

PHYSICAL
1. Swimming—Standard tests for Pioneer and Comrade groups according to the C. C. T. P.
2. Take distance hike as prescribed by leader.

Educational
3. Write an article of at least 200 words describing Life at the Camp and send to your home paper.
4. Read a book on special topic as assigned by leader.
5. Identify 15 birds or 15 trees or 15 flowers or 15 minerals.
6. Tie 6 standard knots as prescribed by leader.

Religious
7. Knowledge of the Bible
(a) Be able to turn readily to a given chapter and verse.
(b) Tell your group who is your favorite Bible hero, tell explicitly why.
(c) Be able to recite one of the following passages: Pas. 1:1-6; Pas. 19:1-14; Matt. 5:3-10.

Service
8. Entertain acceptably your group or the entire Camp with a song, solo or stunt or take part in general Camp entertainment.
9. Render at least four hours of voluntary service to the Camp outside of the required duties.

Special
10. The Ordeal.
11. The Mystical Point.

In addition to the above requirements, general good conduct and a spirit of loyalty to the Camp must be shown to the satisfaction of the Leaders Council.

Much credit is due Dean Temple who has acted as physical director and to W. M. Pierce who took charge of the social activities of the Camp. Mr. Temple is an Allegany County boy and is now physical director of

JOHNSON VICTORY WOODROW WILSON SPURS NEW PARTY POINTS TO UNREST.

Progressive Group Busy Or- ganizing in Several States, Season at Camp.

The election of Magnus Johnson as senator from Minnesota has given impetus to the movement to organize nationally a progressive group to act in regard to legislation and in all probability to take a decisive stand in the election of a President in 1924.

This is not an ultra-raided group, although it numbers within its membership some of the most prominent and extreme progressives. The utmost that the Labor element concerned in it will go is to support the policies of Robert M. LaFollette (R.) Senator from Wisconsin, who is head of the Progressive League for Political Action formed here a few months ago. The machinists and railroad brotherhoods are associated with it, being one of the officials.

The train and shop crafts in conformity with a decision reached, have issued a call for a meeting to be held in Albany next Sunday evening when the state organization of New York is to be taken up. A meeting was held in West Virginia for the organization of that State recently, and one in Boston on Sunday night. The plan is to organize rapidly in the various states so that when the convention is held in December, there will be reports from as many states as possible, thus facilitating the making up of a national program.

FARMERS' PICNIC AT ISLAND PARK AUG. 9.

Allegany County Farmers to Have Jolly Day Together at Wellsville.

The County picnic to be held in Island Park at Wellsville, Thursday, August 9th, has many unique attractions. The day's program includes a horseshoe pitching tournament; band concert by the Wellsville band; folk dancing; in charge of Miss Ruth Aldrich, director of physical training; athletic games and races for all ages in charge of County Y. M. C. A. Athletic Director, S. F. Lester.

The Erie Railroad will have a poultry demonstration train at the picnic all day. A base ball game between the Wellsville business men and the Farmers of Allegany County should be a cure for blues.

There will be a rest tent in charge of the Home Bureau; baby checking tent and sand piles will be in the competent hands of Miss Laura Vogel, Executive Secretary of Allegany County Committee of Tuberculosis in Public Health. Firemen's parade and inspection of Wellsville department will take place in the evening.

Prizes will be furnished by the Wellsville Business Men for all contests. Identification tags for five cents will be sold for making you known to your friends. Village and country people equally welcome.

JOHN HARKENRIDER

REXVILLE, July 30. — John Harkenrider, 82 years old, prominent farmer, died Sunday night at his home here. He had been in poor health the past eight months.

Mr. Harkenrider was one of the best known residents of that section. For years he was a successful farmer but of late had been retired.

Besides his widow he is survived by five daughters and four sons, Mrs. Anna McCormick of Lockport, Mrs. Katherine Neary of Friendship, Mrs. Margaret Hamilton of Fort Worth, Mrs. James X. Hart of Hornell, William, John, James and Bernard Harkenrider of Rexville. He is also survived by one sister, Mrs. Katherine Kelleher of Hornell.

The funeral was held Wednesday morning at 9 o'clock in Saint Mary's church in Rexville and burial in Saint Mary's cemetery.

A junior high school in Huntington, West Va. Mr. Pierce is an assistant instructor in the Physics Department at Cornell University. The camp was very fortunate in obtaining the leadership of these men.

In Trouble

Wm. H. Anderson, Supt. of the New York Anti-Saloon League, who faces Grand Jury indictments charging forgery, extortion and grand larceny. Until recently, the league was generously subscribed to by John D. Rockefeller, Jr.

COUNTY EDITORS BACK DRY CODE.

Publishers of County Papers to Carry Prohibition Message.

"There is no question where the small town and country newspaper stands on prohibition. It expresses and will continue to express the spirit of constitutionality and law-abiding Americanism; and we are perfectly certain that the handful of great metropolitan dailies who lead our profession in so many other ways will soon stop condoning law-breaking and give this reform a square deal."

Wallace Odell, newly elected president of the National Editorial Association, which has just closed its thirty-sixth annual convention at Saratoga Springs, N. Y., made this declaration today.

Mr. Odell, who is editor of the Tarrytown (N. Y.) Daily News, said the association now has about 7000 members with a combined circulation of upward of 20,000,000 and purposes this coming year to operate a well-equipped Washington bureau for the benefit of the country dailies and weeklies in its membership.

"The increased penetration of the big city dailies in the country," he said, "has caused small town newspapermen to become better business men and better editors, and they are meeting the obligations. Since the war they have been reasonably prosperous; they have had to raise the rates and keep them up, as labor and all other costs are much higher today."

"The 'Main Street' editor," declared Mr. Odell, "preserves the editorial as a real fighting force in his newspaper, where it has lost much of its effect in the city. His newspaper is also much less sensational and of a cleaner tone, as it must accord to the sentiments of an overwhelmingly church-going community."

"Prize fight news is becoming a ridiculous obsession with the city daily," said Mr. Odell, adding that his "fellow-editors, who come from 36 states and from as far as Washington, Texas, and Florida, had been amazed during the present conclave at the prominence given to boxing bouts and sensational sporting news in the newspapers at their breakfast tables."

TOWN WILL VOTE ON BUILDING NEW BRIDGE.

Proposition Will be Given to Electors This Fall for Answer.

The New York State Highway department has made a proposition to the towns of Wellsville and Andover that they will construct, as soon as it is possible, a new concrete road between the two villages.

The proposal includes the erection of two bridges by the town of Andover, one at Stearns' Crossing and the other at the Berger farm. The new highway is to be 18 feet wide and the bridges will have to be 20 foot bridges. The new road will be what is known as Federal Aid road. The federal government paying for a portion of the construction.

The Town Board of Andover has been figuring and estimating on the probable expense of the bridges, and has agreed with the State Highway Department to place the proposition before the voters of the Town of Andover at the coming election, this fall. The expense will undoubtedly be around \$20,000.

At Stearns Crossing the specifications for the proposed new road calls for a considerable change in the location of the highway, cutting off corners and straightening the road.

County Highway Superintendent Craig has sent Albany for the plans and estimate of cost for the proposed bridge. The law requires that "No bridge shall be constructed on any road improved with state or Federal Aid without first getting approved plans from the commission of State Highways."

The bridge near Stearns Crossing which is to be 85 feet long with 20 foot clearance, the other near the Berger buildings, which is to be 30 feet long with 20 feet clearance.

County Superintendent of Highways, Harry Craig and District Superintendent of State Highways, A. Minch, were recent callers in town to look over this bridge proposition, with the town officials, Superintendent Howland and Supervisor Crandall. As a result of this meeting Supt. Craig has succeeded in getting Mr. Ripley, Division Engineer, to consent to repairing the Berger Bridge, instead of building a new one.

After going over the other bridge proposition, using the Blue Print, showing the grade, it was decided that this bridge could not be changed and take care of the water which flows thru both bridges on Main Street joined below and flows thru the new proposed bridge. The South Main Street Bridge being 55 feet and the North Main Street Bridge being 40 feet, the total length of these two bridges being 95 feet, it appears that it would be a mistake to build a smaller bridge than is proposed. The road on both sides of the new bridge will be raised at least two feet.

INJURED BY MILKING MACHINE.
Alice, the ten-year-old daughter of Mr. and Mrs. Guy Cole of Ashford met with a terrible accident last week. She was standing near her father and a milking machine, when her hair caught on the shaft of the machine. She cried for help, and her father sprang to her assistance and threw off a belt, but not in time to save her from injury. Her scalp was torn off.

It is not true that all men wear hats. Some are bedridden.
