ANSWER FOR YOURSELF

"What kind of a church would our church be
If every member were just like me?"

These lines rhyme well, surely. They jingle
like bells. Repeat them; sing them; whistle them.
Every one "just like me." Such a church ought
to please me. Would it please the Master? What
kind of a Prayer Meeting should we have? Every
member "just like me." How about our Young
Peoples' Society, the Sunday School? And the
church treasurer? How much money would he
have? "Just like me." What would the uncon-
verted say of such a church? How soon would
God's will be done on earth as it is in heaven?
Let us say it, and sing it again, and each answer
for himself:

"What kind of a church would our church be
If every member were just like me?"
