### BAPTIST CHURCH

Always Has a Warm Welcome for You

THE BIBLE THIS BOOK contains---the mind of God, the state of man,

ness of believers. Its doctrines are holy, its precepts are binding,

its histories are true and its decisions are immutable. Read it

to be wise, believe it to be safe and practice it to be holy. It

contains light to direct you, food to support you and comfort to

cheer you. It is the traveler's map, the pilgrim's staff, the

pilot's compass, the soldier's sword and the Christian's charter.

Here Paradise is restored, Heaven opened and the gates of hell

disclosed. Christ is its grand subject, our good its design and

heart and guide the feet. Read it slowly, frequently, prayer-

fully. It is a mine of wealth, a paradise of glory and a river

of pleasure. It is given you in life, will be opened at the

judgment and be remembered forever. It involves the highest

responsibility, will reward the greatest labor and condemn all

who trifle with its sacred contents .-- Priscilla Howe.

### All Times and All Places

No matter where or when-on the farm or in townsummer or winter—a home is not a home without running And to be a perfect home there must be hot water as well as cold. .

Running water calls for pipes-pipes that carry the water to where it is wanted and when it is wanted. Pipes call for fixtures-bathtubs, showers, lavatories,

closets, sinks, laundry tubs. And all of these call for the plumber-the man who has put real homes within the reach of everybody.

A real home is one where health, comfort, conve and happiness keep company with every member of the family. And, in these days of life and work, that can't happen without modern plumbing.

Let us show you how easy it is to make a home all that a home should be. It doesn't cost much, and it will supply a family with health, comfort, convenience and happiness for years and years.
