

# ORGANIZING FOR OWN NOMINATION FOR PRESIDENT.

## Slemp Slumped into Secretary Christian's Shoes Tuesday.

Washington, D. C., August 29.—President Coolidge's first thirty days in office ends this week. During that brief time, the nation has witnessed a most unexpected and complete change in the national political situation.

Commencing next Tuesday, September 4th, the real Coolidge administration swings into action. Geo. B. Christian, Secretary to the late President Harding, will be succeeded by Pres. Coolidge's new secretary, Campbell Bascom Slemp of Virginia.

The appointment of Slemp by Coolidge is still a source of astonishment to official Washington. However, it has now been accepted as a virtual announcement by Coolidge that he is out in full force for the Republican nomination in 1928.

C. Bascom Slemp of Big Stone Gap, Va., former Congressman and Republican State Chairman since 1905, is known as the Republican Patronage Boss of the South. The appointment of Slemp, the first made by Coolidge, has been termed a magnificent political stroke to capture the Southern Republican support and delegates to the next G. O. P. Convention.

The astonishment at the appointment of Slemp, is in the fact that pages in the Record of the last session of Congress, are filled by debate in which Thos. W. Harrison of Va., (Democrat) charged and backed up his charges by producing signed letters and checks that Slemp had sold G. O. P. post office patronage for sums ranging from \$50 to \$300. Slemp claimed the money represented only campaign contributions.

When it came to a vote, the Republicans ousted Harrison and seated Slemp's man, John Paul, but Harrison had his revenge by being re-elected to the next Congress. The last Congress was the first time Slemp had failed to return, after succeeding his father at the latter's death in 1907. Slemp dropped out at this last election.

C. Bascom Slemp was born at Turkey Cove, Lee County, Va., Sept. 4, 1870, studied law at the University of Virginia, was once a mathematics instructor, practiced law at Big Stone Gap, Va., was President of the Slemp Coal Company and the Hamilton Realty Company. Mr. Slemp is a bachelor. He declined offers made by President Harding of a place on the Civil Service Commission, as Assistant Secretary of Commerce and as Ambassador to Peru, the White House announcement at his appointment disclosed.

## WOULD LIKE HAYS TO MANAGE CAMPAIGN AGAIN.

### G. O. P. Makes Overtures to Get Him Back From Movies.

Washington, D. C., Aug. 29.—Strong pressure is being brought to bear on Will H. Hays to have him give up his place as Director-General of the Movies and get back into the political game.

Leaders in various groups are urging him to indicate a willingness to serve again as chairman of the Republican National Committee for the 1924 campaign, the same job he had in the 1920 election of Harding.

Definite overtures have been made to Hays by a number of Coolidge boosters as well as other party leaders. This development is a bit surprising in the fact that some political prophets have accepted as almost certain that Wm. H. Butler, Boston lawyer and a Coolidge man who succeeded Secretary Weeks as a member of the Republican National Committee, would be the President's choice for chairman.

This is not the first time Will Hays has been approached regarding a return to the chairmanship which he gave up to become Postmaster General in the Harding cabinet. It is a well-known fact that the late President had him in mind for the 1924 chairmanship before starting on his ill-fated Alaskan trip.

One group of Republicans are urging Charles D. Hilles, who managed the Taft campaign in 1912. Hays, however, is the favorite of the majority at this time, if he can be prevailed upon to again become active in Republican affairs.

"Religion is something grander than a single cult or demonstration—it is living the Jesus' sort of life. The thinking of the world to-day may not confirm every teaching we have inherited from the past, nor is it necessary that it should. As we grow in and with God, we receive new revelations of the meaning of the mysteries of the universe, and we restate our spiritual experiences in new terms and phrases. The man who clings wholly to the past is the man who has not felt the spiritual power and the divine presence in the present. The true church forces no creed or dogma or belief upon its worshippers, but invites them to share in the quest of the Divine, if haply they might find Him."  
We welcome YOU to all the services of OUR church.
