Have you ever noticed that people who are capable and efficient in one field are usually so in others as well?

-Take some of our most regular depositors, for instance. When it is convenient they make their deposits in person.

But when they are away, even for a short time, they send in their deposits by mail.

We should like to see more of our depositors

# The Magic Key

The greatest thing in the world is what? Isn't it the pep d perseverance that dares to do, and then does? Isn't it Of course, of course.

And what gives men and women plenty of pep and push? Just one thing-health-radiant, rosy health And what makes for health that is rosy and radiant

And plenty of bathing. All the keys to health-air, breathing, exercise, eating-all are fine. But the greatest key of the bunch-the magic key-is a Bath a Day.

Because, in taking the daily bath, one exercises, epens the porces of the skin to fresh air and deeper breathing, and whets an appetite for eating.

Yes, a Bath a Day is the magic key. It unlocks me more push, more perseverance—more health—than says invented.
