Now Comes Autumn

—and with it come thoughts of new things for the home, of replacing old, worn out furniture you have meant to discard for years. Vacations are over; you will be entertaining again; you will want your home to look its best.

We have a great many interesting new designs—not only in matched suites, but in single pieces of real distinction at popular prices.

Good furniture makes the character as well as the comfort of the home—and lasts as long as the home itself. It is the *only* kind to buy—and the only kind you CAN buy here.
