Agrigraphs

Crop rotation and diversification are sound forms of insurance for the farmer.

Why not "Say it with popcorn" to your city cousins this Christmas?

Cheese won't get hard or moldy if it is wrapped up in a cloth well saturated with vinegar.

Don't spend too many hours over the ironing clothes. Let the children wear simple clothes that require little or no ironing.

Every housewife needs reference books for her work. Cornell has them. Send to Ithaca for a list of publications, any of which will be sent free.

Aunt Ada's Axioms: The poet who said, a "torn jacket is soon mended, but hard words bruise the heart of a child," expressed a truth which nagging parents need to learn.

Non-washable fabrics may be sponged with vinegar and water, keeping a pad of soft absorbent rags beneath the spot to take up moisture. If the vinegar affects the color, sponge with diluted ammonia, followed by chloroform.

DIRECTORS MEETING

The Board of Directors of the Andover Chamber of Commerce is called to meet at Henry Stephens office this (Friday) evening at 8 o'clock.

The
Dog's Nose
Knows
!!

All the wisdom of the dog ages is that keen sniff of old Faithful whose nose knows that there are birds in the crisp fall air. You should be out and after them at break of dawn — and you will get them with Peter's ammunitions. Complete new stock of shells and powder.

HORAN'S HARDWARE

PURETEST EPSOM SALT

Positively the Purest Made

Contains no impurities whatsoever, making it the easiest of all Epsom Salts to use. A wonderful cathartic, especially for middle aged and elderly people who suffer from digestive disturbances and mean little headaches. One or two teaspoonfuls dissolved in a glass of water and taken before breakfast, bring almost immediate relief.
