

The World Takes You at Your Face Value. Therefore Mark Yourself Up and Not Down and Wear Only Clothes With Reputation

People have no time to look you up, so they look you over. You are richly repaid for what you pay for a Good Suit or Overcoat. It creates the first impression, and first impressions are hard to reverse.

A Suit or Overcoat may be pure wool yet poor wool. It may be hand-worked where it shows but machine-shirred where it wears. It may be slicked and tricked into shape to imitate a fit, but the test of service it will prove it a counterfeit ten times out of ten.

What's your protection? Buy by reputation. Stein-Bloch Smart, Clothcraft Guaranteed or Griffon Clothes ranging in price from \$25.00 up. Styles and qualities are different. Look them over.

BOY'S SUITS AND OVERCOATS

If it's wear you seek—if it's style you demand—here are the Suits and Overcoats that will bring satisfaction to parents as well as boys.

Boys' Suits with extra knickers at \$9.45-\$10.95-\$12.45 and up to \$15.00.

Boys' Overcoats of strictly all wool materials at \$10.45 and up to \$18.00.

Our showing will prove of interest to parents as well as the boys. Everything a boy wears can be had here with the exception of shoes.

SELECTION OF INSURANCE COMPANIES IMPORTANT

The importance of selecting good, safe insurance companies is shown by the fact that only about sixteen per cent (16%) of the companies organized upon the stock plan which began in 1792 are still in operation and that only about seventy-five per cent (75%) of the companies organized upon the mutual plan which began in 1752 are still in operation.

The above figures are taken from the report of Chas. S. Nesbit, formerly Federal Insurance Commissioner of the District of Columbia.

We represent the very best mutual companies, those that are well managed and have stood the test of years.
