

NEW FALL SUITS AND OVERCOATS

Price is a good servant but a bad master: a fine handle but a poor stick. What comes out of the coat must go out of the quality. We offer Stein-Bloch Smart, Clothcraft Guaranteed and Griffon Clothes and Overcoats at as fair a price as good tailoring permits.

Yes the whole thing in buying a Suit or Overcoat is "WHAT ARE THEY GIVING ME?" Not, "WHAT ARE THEY CHARGING ME?"

STEIN-BLOCH Smart Clothes at \$40.00-\$45.00-\$50.00 and \$60.00.

Clothcraft Guaranteed at \$20.00-\$25.00 and \$30.00.

Griffon Ultra Clothes at \$25.00-\$30.00-\$35.00 and \$40.00.

And the Boys' Suits and Overcoats have the same good qualities of wear and shape-retaining. They'll not cost you any more than inferior ones. Every Knicker Boys' Suit with extra trousers, which means double service and wear. Boys' suits begin at less than \$10.00 and up to \$20.00.

Some people lead mighty lonely lives. They are trying to do right and the crowd won't follow them.

Many a fellow roars loudly for justice and then howls mightily when he gets it.

The only shrinkage in the money situation in this country is in the number of people who are able to hang on to it.

But why waste our breath on the grasping methods of Chinese bandits when we have our coal barons right here at hand?

TWICE-TOLD TESTIMONY

Andover People Are Doing All They Can for Fellow Sufferers.

Andover testimony has been published to prove the merit of Doan's Kidney Pills to others in Andover who suffer from bad backs and kidney ills. Last any sufferer doubt this evidence of merit, we produce confirmed proof—statements from Andover people who again endorse Doan's Kidney Pills—confirm their former testimony. Here's an Andover case:

Mrs. E. L. Gardner, Rochambeau Ave., says: "A cold settled in my back and put my kidneys in a weak condition. I shall never forget how my back ached and pained me. If I stooped, a sharp, knife-like pain would catch me in the small of my back and dart up my spine. Frequently colored specks floated before my eyes and blurred my sight. I got so dizzy that it was almost impossible to bend over. My kidneys were irregular in action and caused a lot of trouble. I used Doan's Kidney Pills and they cured me." (Statement given August 14, 1919.)

On July 19, 1923, Mrs. Gardner said: "Time has not changed my good opinion of Doan's for the cure they gave me has been a lasting one."

SELECTION OF INSURANCE COMPANIES IMPORTANT

The importance of selecting good, safe insurance companies is shown by the fact that only about sixteen per cent (16%) of the companies organized upon the stock plan which began in 1792 are still in operation and that only about seventy-five per cent (75%) of the companies organized upon the mutual plan which began in 1752 are still in operation.

The above figures are taken from the report of Chas. S. Nesbit, formerly Federal Insurance Commissioner of the District of Columbia.

We represent the very best mutual companies, those that are well managed and have stood the test of years.
