Tidbits From Our School

The tidbits this week will be edited by a new staff. They hope to continue the good work which has been begun.

The staff is composed of; Margaret Wilcox, Mary O'Boyle, Ella Edwards and Arthur Downer.

Last Friday night Andover boys and girls played Friendship boys and girls respectively. The boys played a very thrilling game. A lot of good work was done by Leahy, altho all of the fellows did their part in making the game one of the best this season.

The score was 16 to 22 favor of Friendship.
The girls game was very fast and snappy, altho Andover girls were outplayed. The score was 8 to 4.
The respective line ups were as follows:

Girls	
Friendship	Andover
Perkins	L. G. Perry
Picknell	R. G. Cook
Dorey	C. Folsing
Potter	L. F. Beebe
Harks	R. F. Theetge

Subs.—Friendship none; Andover Hyland for Cook, Beebe for Folsing, Hyland for Perry, Falsing for Beebe

Boys	
Friendship	Andover
Lane	L. G. Hyland
Feaster	R. G. Falsing
Spences	C. Leahy
Hills	L. F. Gibbs
Hamelton	R. F. Harder

Subs.—Friendship Secar for Feaster, Hubert for Lane, Cline for Hills. Andover Alvord for Gibbs, Downer for Leahy
Referee, Craft, of Hornell.

Monday evening Friendship town team of girls played Andover H. S. girls. Altho our girls had expected the same team as before, they willingly played the substituted team. Score 8 to 0 favor of Friendship.
Andover's town team played a game which was a thriller from beginning to end. As usual, Joyce started. Score 12 to 13 favor of Andover.
Rah! Rah! Boys!

Andover High School won the first County League game Tuesday night. The boys defeated the Angelica High School team 14-11.

For a time it seemed that Andover was quite outclassed, the score at the end of the first quarter being

1-0 against them, and it was not until the half was nearly over that the first point was registered. Then three baskets in less than two minutes tied the score for the half at 6-6.

Gibbs started the fine work of the second half with a basket from the tip off, got knocked out and came back for two more. The splendid guarding of Hyland, until he left the game by the four personal foul route, and of Leahy kept the scoring of the visitors down, while Leahy and Falsing each went forward for a pair of two pointers.

Line up and summary:
Andover: Harder, R. F., Angelica (2), Gibbs (6), L. F., Keenan (5), Leahy (4), C., Haggstrom (2), Falsing (4), R. G., Adams (2), Hyland, L. G., Spangler.
Four eight minute quarters.
Referee, Campbell, of Alfred.

The speaker's for this week are as follows: — Ferne Greene, Gerald Hann and Marion Rogers.

The Thanksgiving vacation was enjoyed by all—also the dinner. Several of the girls found it necessary to go home Wednesday noon to help prepare it and didn't return Monday morning. We can not state the reason for the later.

Dorothy wishes that they had Lynch (ing) parties in Andover.
Ask Lenford if his alarm clock is "on the blink."

Some one would like to know if Mr. Dawson is taking a collection of ladies pictures.

We hope the pencils and pens which arrived this morning will be enjoyed by all and put to a good use "Keep'em busy, kids."

Ask Margaret if she enjoys "Hills".

Anna, please remember that Sammy's clothes might shrink!

SELECTION OF INSURANCE COMPANIES. IMPORTANT

The importance of selecting good, safe insurance companies is shown by the fact that only about sixteen per cent (16%) of the companies organized upon the stock plan which began in 1792 are still in operation and that only about seventy-five per cent (75%) of the companies organized upon the mutual plan which began in 1752 are still in operation.

The above figures are taken from the report of Chas. S. Nesbit, formerly Federal Insurance Commissioner of the District of Columbia.

We represent the very best mutual companies, those that are well managed and have stood the test of years.

For the following:—Fire, Life, Automobile (all kinds), Cyclone, Tornado, Compensation and Live Stock Insurance, and in well managed mutual companies, consult with
