LOCAL HAPPENINGS

—Happy New Year.

—F. Angar is the newly elected Master of Bolivar F. & A. M.

—Postmaster C. E. Hann has been confined to the house by a severe cold a few days the past week.

—All together for 1924 let us make it the very best year in the history of Andover. The old town deserves it.

—Mr. and Mrs. Al Brown have purchased of Charles Baker his residence on Chestnut Street and will move there within a few weeks.

—Albert J. Oshant of Wellsville has been appointed deputy sheriff to fill the place vacant by the death of A. M. Boyd, which occurred recently.

—All O. E. S. and Masons are invited to the New Years Tree at Masonic Hall Tuesday evening, January 1st, 1924 at 8 o'clock bring something for Tree, value not over 10c.

—A huge fir Christmas tree was sent to President Coolidge by the students of Middlebury, Vermont. The tree was erected near the Executive Mansion and lighted with 2,000 electric bulbs during the holiday festivities.

—The residence of Editor E. W. Barnes of Wellsville was damaged by fire Christmas day. Sparks from a wood fire in a fireplace set fire to the roof. The use of an extinguisher kept in the attic held the flames in check until the arrival of the fire company with the chemical hose. A rear on collision of the Genesee and Dyke trucks at the entrance to the Barnes grounds caused both to tip over. Jack McCormick on the Dyke truck was seriously injured and the truck badly damaged.

A NEW YEAR'S MESSAGE.

I asked the New Year for some motto sweet,
Some rule of life with which to guide my feet;
I asked and paused. He answered soft and low,
"God's will to know."

"Will knowledge, then, suffice, New Year?" I cried.
But ere the answer into silence died
The answer came, "Nay, this remember, too,
"God's will to do."

—Once more I asked, "Is there no more to tell?"
And once again the answer sweetly fell:
"Yes, this one thing, all other things above,
"God's will to love." —Sel.

The World's Prayer

An International Song Dedicated to President Harding

Since life began World's history's been wrought
With men's grim battles oft renewed and fought;
Progress has taught the evil of our way,
And peace is dawning with a newer day.

The force of night—not right—has often ruled,
And all the world in armament been schooled;
Please God, no more vast graveyards where we kneel,
But join our hearts and hands for common weal.

Men's minds have vied for better ways to make
Destructive forces for destruction's sake;
From chaos and confusion there shall rise
Enduring peace and everlasting ties.

Chorus

We pray for peace on earth, good will toward all;
May love instead of hate our hearts enthral.
We pray that every nation sees the right;
That truth and justice rule in place of might;
That armament forever cease its reign;
And waiting war may never return again.
Long may the world be bright
With freedom's holy light,
And sing
Great God our King!

DO YOU LIKE ANDOVER?

IF YOU like Andover, tell everybody about it. It must be worth liking or you wouldn't like it. And if it is worth liking it is worth talking worth.

But if you don't like it, don't let it stop at that. Go to work and do something to convert it into a town that you can like.

Perhaps the one thing the town most needs may take root in your own brain.

—Paul Vossler of Stanards was killed last week Thursday morning in Hornell by an Erie train while driving a Scoville-Brown & Co. truck. Deceased was 50 years of age and leaves a wife and three children.

—Postmaster Commons and his staff are worthy of receiving much credit for the neat manner they handled the mail during the rush hours around Christmas time. While the bulk of the Christmas work came in just a few days, preceding Christmas the mail was not delayed materially. The delivery windows not being closed at all while the mail were being worked.

—Don't forget to join the Christmas Club at the Andover State Bank.

CLUB ENJOY FINE EVENING

The Entre Nous Club with their husbands and gentlemen friends as guests, enjoyed their annual Christmas tree and dinner this year at the home of Mr. and Mrs. Leo Snyder on Main Street. A turkey dinner at six thirty was the first number on the evening's festivities. At nine o'clock the girls were distributed from a beautifully arranged Christmas tree. Carols and a social time were enjoyed in the intervals before and after the tree and later in the evening ice cream and cake were served the company.

A Christmas tree and dinner is an annual social event of the Entre Nous Club and the evening for 1923 was one of the most enjoyable.

CARD OF THANKS

We wish to express our deep appreciation of the sympathy shown and our thanks to Mr. and Mrs. Henry Beal during the sickness and death of our uncle.

DODGE SEDAN FAILS TO MAKE FRISBEY CORNER

Thursday forenoon a Dodge sedan under the guidance of a woman and carrying three other women came up Chestnut Street at a reckless rate of speed and upon arriving at the Frisbey Corner couldn't make the turn.

The machine went over the side, walked and into a newly plowed field, plowed its way across the field, coming out back of Floyd Mattison's house. The driver then drove around the Mattison house, out the drive way and on up thru Main Street.

HAVE YOU DONE YOUR BEST?

WHY kick about the amount of booze that is floating around the country in these days of prohibition? What have you done to eliminate it? What have you done to aid the

officers in enforcing the law?

Kick when you have a right to kick, but don't kick until you have. If you see a hat in the street, kick it. If it has a brick under it, kick it again. Then you will know that the kicker injures himself most of all.
