

Strong For Chicken

A negro's idea was that the most useful animal was a chicken, because, he said: "You can eat 'em before they is born and after they is daid."

Possibly he was right, but the most useful THING in this world is the dollar on deposit in a good bank like ours. It is always safe there, but is subject to your check when needed, while the dollar thoughtlessly spent has departed from you for good. Take good care of the dollars. They will stand between you and lots of trouble.

Jokes
Miss Wright told her pupils to write a short essay on Lincoln, and his is what "Dick" wrote:

"Abraham Lincoln was born on a bright summer day, the 12th of February, 1809. He was born in a log cabin, which he had helped his father to build."

Virginia, "Papa, do cats go to heaven?"
Prof. Palmer, "Of course not."

Virginia, "Well, where do the angels get their harp strings?"

Prof., (explaining a geometry problem), "You people watch the board while I run thru it once more."

Mr. Palmer, "What is ordinarily used as a conductor of electricity?"
Ronald, (all at sea)—"Why-er."

Mr. Palmer, "Wire, correct, now tell me what is the unit of electric power?"

Ronald, (still at sea), "Eh, what?"
Mr. Palmer, "Exactly, the watt, very well, that will do."

The Juniors held a party Tuesday evening, February 5, at the High School. Dancing and refreshments were enjoyed by all.

The Andover High School basketball team split fifty-fifty with Wellsville in the two games played at the gym last Friday night. The girls won their game, 13-6 and the boys lost, 16-24. Both games were fast and at times rough. Wellsville girls being given eighteen attempts from the free throw line and Andover girls eleven, Wellsville boys twenty-one and Andover boys twelve.

Gibbs, Leahy and Hyland of the Andover boys team and Hyland and Shepard of the Andover girls team were ruled out because of four personal fouls each, and Gardner of the Wellsville girls, left the game for the same reason.

The largest crowd that was ever in the gym witnessed the games. Line up and summaries:

BETTER LATE THAN NEVER

The News should have had a write-up last week of the 5th lecture on the Panama, given at the Baptist Church, Friday night, by Mrs. Hattie E. Eggleston. It was postponed until it was forgotten and it was too late.

Mrs. Eggleston gave a splendid lecture on the conditions at the Panama Canal Zone, telling of its climate, and characteristics. Her talk was descriptive of scenes thrown upon the screen, and was very interesting and instructive. Those who missed hearing it missed a great treat. Her description of scenes was so vivid that one almost imagined being on the spot.

An added feature of the evening was the singing of a ladies' trio: Miss Minnie Clair, Mrs. Margaret Baker and Mrs. Floy Lever.

WOMEN'S CONFERENCE

Plans for a series of lectures on the Panama Canal Zone, to be held in Hornell, Friday and Saturday, February 29th and March 1st. All boys from 14 to 22 are eligible as delegates. The speakers and Sunday School superintendents of the churches in and about Hornell met at dinner Tuesday evening for the purpose of acquainting themselves with the plans of the Conference.

Boys should make their plans to attend. The men's classes in the Sunday Schools are appealed to for the purpose of underwriting the expenses of the boys, which will be one dollar per boy.

W. C. T. U.
The Women's Christian Temperance Union will meet this (Friday) afternoon with Mrs. R. A. Pease for their Frances Willard Memorial meeting. Mrs. Pease and Mrs. Thorne, directors.
