

Poverty and Plenty

POVERTY is the price paid for wasted dollars. Plenty is the reward received for banked dollars.

Poverty or Plenty—which do you prefer? It is WHOLLY in your power to make the choice. No one can make it for you.

? Why Do We Sneeze ?

—because the coming on of a cold in the head irritates the delicate membrane lining the nose. This induces a local nervous convulsion, which extends to the lungs and causes a violent expulsion of air. Follow up that sneeze with

Puretest Aspirin Tablets and let them help expel the dangers that lurk in a cold or the gripe.

Absolutely true aspirin tablets so skillfully made that their beneficial action begins in 15 seconds. Highest purity, never irritate or burn.

One of 100 Puretest preparations. Every item the best that skill and science can produce.
