\*Matt. 17-5.

Mhat Sob Saps

God never said that of any but one man, and he says it about that one man today. And if we want to get on friendly terms with that one man today. And if we want to get on friendly terms with God we would better cultivate the acquaintance of the one man who everlastingly pleased Him when He stood on this earth.

Do you think the eternal God is going to have anything to do with you if you give the cold shoulder to his Son—the only man who ever lived that fully pleased Him? Do you think you will stand anywhere at court if you discredit Jesus Christ, who, after He had pleased His Father for thirty-three years, humiliated Him-self by death on the cross, bearing your sins that you might go free? Do you think that you will get by with God if you continue to insult Him by failing to credit the fact of that well beloved Son's death and resurrection, when it was all done for you?

Have a care, man, the wrath of God is beyond description, and He will not forever brook insult to His well beloved Son, beyond a certain point in your history and, speaking generally, beyond a certain point which He has determined for the whole world.

"Kiss the Son lest He be angry and ye perish from the way when His wrath is kindled but a little"

PARENT-TEACHER ASSOCIATION

Elect Officers For Austhor Year.

A very interesting meeting of the local Parent-Teacher organization was held Tuesday night at the High School.

was held Tuesday night at the High School.

The business session was preceded by a program consisting of music and a debate between the high school juniors and sentors. Miss Louise Folsing rendered a very pleasing vocal selection. The question for debate was:

Resolved, "That Regents Examination Should Not be Eliminated in New York State."

Speakers for the affirmative were:
Ronald Gibbs, Loretta Quigs and Sara Bettinger, representing the Sentors; speakers for the negative were: Wayland Livermore, Viola Wildman and Mary McFetridge, representing the Juniors. The judges were Mr. MacGowan, Mrs, Watson and Mr. O'Connell. The first place was awarded the affirmative by decision of the judges. Much credit is due both sides, however, for the interesting manner in which the debate was carried on. Both sides hout out convincing points and should be commended for the work which they did under the supervision of Miss Wright, head of the brot. out. convincing points and should-be commended for the work which they did under the supervision of Miss Wright, head of the English department. Following the debate there was an informal discussion on advisability of Regents Examination in our schools. Mr. Palmer gave some strong points in favor of this system.

President: Mrs. Ed. Horan.

Vice President: Mrs. Alderson.
Secretary: Miss Wright.
