GEORGE H. SWIFT Prominent Cuba Business Man Passes On.

Cuba, N. Y., June 10.—George H. Swift, 84 years old, who last year retired after serving 47 years as secretary of the Cuba Fair and Racing association, died yesterday in the home of Mrs. H. Wilcox. He had been in failing health for some time.

Mr. Swift, who was an uncle of State Senator Parton Swift, was elected secretary of the fair association in 1870, and with the exception of six years, served since that time. His retirement last year marked the close of what is perhaps the longest service of the kind in the history of any fair association in the state, possibly in the country. Mr. Swift was also in the grocery business.

He is survived by two sons, Harry of Cuba, and Douglas, attorney for the D. L. and W. railroad in New York. He was a prominent Mason, under whose direction the funeral was held Wednesday at 3 P. M.

CONFIRMED PROOF

Residents of Andover Cannot Doubt What Has Been Twice Proved.

In gratitude for relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Pills. Resident of Andover, who so testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Pills to Andover kidney sufferers.

L. A. Johnson, blacksmith, Main Street, Box 151 Andover says: "Kidney trouble had a firm grip on me and my back ached terribly. Every time I stooped or did heavy lifting a sharp pain would catch me in my back. The kidney secretions passed infrequently and were highly colored. I was all out of shape and lame all over when I began using Doan's

Pills. Doan's soon had me feeling better and it only took three boxes to cure me." (Statement given August 14, 1919.) On July 18, 1923, Mr. Johnson added: "I am glad to confirm my former statement for the cure Doan's gave me has been a lasting one."
