THAT KNIFE-LIKE PAIN

Is Only One of Nature's Warnings of Weak or Disordered Kidneys.

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Pills—the medicine recommended by so many Andover people. Ask your neighbor! Read this case:

Mrs. Wm. Hower, Hill St., Andover, says: "Overwork around the house brot on kidney trouble and I had a steady pain in my limbs. When I stooped, I got a sharp, knife-like pain across my kidneys and was hardly able to straighten. I had frequent spells of dizziness and specks appeared before my eyes. Kidney weakness was another affliction to contend with. I started using Doan's Pills and found they gave great benefit. I am never without Doan's in the house."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Hower had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

A For Sale ad, written with some selling-sense in it, will sell the used things for something like their actual value in cash.
