

A QUESTION ANSWERED

Question: Who is the most benefited by the money you earn?

Answer: YOU ARE, if you save it, OTHERS ARE if you spend it.

No doubt about the truth of that answer. Then why not profit by the money you earn, by making a small deposit regularly at our bank? Others are doing it and are profiting by it. The same plan is open to you. Your deposits will be safeguarded. Why not get in line so you may obtain permanent benefit from your earnings?
