

SURE TO ARISE

The old colored preacher said: "Verily I say unto you that whosoever sitteth upon a red-hot stove—shall RISE AGAIN."

That's one sure way to arise, but it has its disadvantages. The sure way to arise, to move forward, to become a success, is to save your money, depositing it regularly in a good bank like ours, and then carefully investing it as it accumulates. The rise may not be so rapid, but it will be a lot more comfortable than by following the darkey's plan.

Hornell Fair Midway

An authorized article in some daily papers announces that the Hornell Fair has booked a big carnival. The management wishes to state that all Midway attractions at Hornell are booked independently by the secretary. No carnival has been engaged this year and the Hornell Fair never had a carnival and never will. It guarantees its Midway clean and respectable and free from gambling games, ribbon girls and other undesirable features connected with carnivals. The Great Hornell Fair Midway will have all the latest riding and amusement devices, numerous clean games and several reputable shows including a Little Country Theater produced by amateurs from our different communities near Hornell. More and better attractions have been booked for the Midway than ever before and the people may rest assured that the Great Hornell Fair will not turn the management of its Midway over to a carnival organization of any kind.
