FIRE INSURANCE

We are writing Fire Insurance in strong Old Line Companies,
as we have been doing for over twenty-five years, without a dissat-
isfied customer during the period.

To supply the needs of some who prefer Mutual Fire Insur-
ance, and have previously had it written out of town, we
have taken the agency of some very strong mutual companies. We
have one mutual company with more assets than twenty companies
such as are being peddled in Andover by out of town agencies.

We can write your insurance at the very lowest possible cost
and give you protection as good as the best.
