OF INTEREST TO FARMERS

POULTRYMEN OF STATE WILL SHOW AT ITHACA

To Exhibit Birds and Eggs at An-
nual Affair of State College
of Agriculture.

The leading poultrymen of New
York State will gather at Ithaca De-
cember 2, 3 and 4 at the annual
New York State production and egg
show. The poultry department of
the state college of agriculture is
making an annual feature of this
show primarily for the benefit of
the New York State poultry indus-
try.

During these three days the ex-
hibitors will be able to see their own
and their competitors' best birds
placed by expert judges and will
hear the judges' reason for so do-
ing.

Eggs will also be exhibited, and
the importance of breeding for egg
quality as well as egg production
will be emphasized. Educational ex-
hibits and lectures will take up a
large part of the time both during
the day and in the evening. Many
poultrymen throughout the state feel
that this is worth the effort of at-
tending it merely for the contact
and association with the leaders in
their own line from all over the
state. It will give them a chance
to see the other fellows' best birds,
to discuss important matters of se-
lection and breeding, and to get bet-
ter acquainted with the general con-
dition of the industry.

The poultry department expresses
the hope that a large number of
exhibitors will take advantage of
this opportunity, and will send il-
lustrated premium lists to anyone in-
terested upon request. The entrance
fees are used to cover the cost of
sweeping the birds during their stay
in Ithaca and the cost of the prizes.
Inquiries should be addressed to the
poultry department, state college of
agriculture, Ithaca.

Agrigraphs

Uncle Ab says you seldom lose
by understanding your proposition.

No agricultural college has as yet
announced whether it is worse to
give feed to scrub cows, or to give
scrub feed to good cows.

These crisp mornings should re-
mind the farmer that he had a share
in fattening the pheasants that his
city cousins are hunting, and that
he used to be able to handle a gun
himself.

The winter courses at the state
college of agriculture at Ithaca are
tuition free to residents of New
York state, and that's saying a lot
when you consider the value of the
information given.

The scrub ram is a luxury that
few farmers can afford; his first
cost is only a small part of the en-
tire cost, for each one of his off-
spring is worth at least a dollar
less than that of purebred ram.

Fall is the time to prepare rose
beds, says a reprint of bulletin F.
121. "The Culture of Garden Roses"
is the title and it's free to anyone
who applies to the state college of
agriculture at Ithaca.

When farmers exchange expe-
riences about their work with each
other and with college specialists,
verybody benefits. That's what the
eleven free correspondence courses
of the state college at Ithaca do for
a man. A postcard to the college
will bring you information.

ERIE WILL RUN FORESTRY TRAIN ALONG STATE LINE

To Show How Waste Land May be
Planted, and Benefits to be Gained
From Tree Planting.

In order to prove that the refo-
restation of waste land is profitable,
the New York state conservation
commission, the New York state col-
lege of forestry, the New York state
college of agriculture, Pennsylvania
State college, the Pennsylvania
department of forests and waters,
and the Erie railroad are co-operat-
ing to run a series of meetings and
a demonstration train along the
route of the Erie railroad from
Greenville, Pa., to Middletown, New
York, November 12 to December 6.

In addition to the first named ob-
ject, four other points are to be
brought out. The co-operators will
try to show where the young forest
may be obtained, the costs of va-
rious kinds of seedlings, the care and
protection of a plantation, and the
efficient marketing of forest prod-
ucts.

Two cars will be filled with ex-
hibits, most of them furnished by the
United States department of agri-
culture. Charts, figures, and pic-
tures will portray as realistically as
possible actual forestry conditions.
The erosion of deforested land will
be shown on a miniature landscape
which will have real water actually
carrying the dirt away. A third car
will be used for lectures, lantern
slides and motion pictures and will
seat 150 people. Pictures will be
shown in every town thru which the
train passes.

The ultimate object of the whole
program is a successful planting
campaign in the spring. The train
will pass thru the southern tier of
counties and some of the northern
counties of Pennsylvania. It is felt
by forestry authorities that these
counties will benefit more from a
wise reforestation policy than would
any other area in this part of the
country.

Around Our House

Fill Cans With Soup and Chicken

The decree that no more boarders
will be kept in the poultry yard
means that the season has arrived
for laying in a store of canned
chicken. And the home-made brand
tastes just as luxurious as the gro-
cery variety but is much less ex-
pensive. It may be put up with or
without the bones, depending on the
number of empty jars on hand.
Canned chicken meets the emer-
gency of the Sunday night supper
in creamed chicken or chicken-a-la-
king, or that of the unexpected
guest in chicken-fricasee, pot pie, or
the real, old-fashioned chicken pie.
If the bones are removed before the
chicken is canned they will furnish
a supply of chicken soup or of the
ever desirable chicken stock which
adds flavor and richness to many
otherwise plain dishes. To can soup
from chicken or other bones, cover
the bones and trimmings with cold
water, salt to season, add a bit of
onion, bay, and celery if desired and
slowly simmer until the bits of flesh
on the bones drop off in shreds.
Strain, reheat and boil for ten min-
utes. Pour into clean jars and
boil in a hot water bath for three
hours or under ten pounds of pres-
sure for seventy minutes.

The people who would buy what
you would like to sell—or who would
sell what you'd like to buy—are, of
course, readers of the classified ads.

PROPOSITION NUMBER ONE

STATE OF NEW YORK

Office of the Secretary of State
Albany, September 15, 1924.

Pursuant to the provisions of sec-
tion eighty of the Election Law, the
following proposition will be sub-
mitted to the voters of this State
for approval on November fourth,
nineteen hundred and twenty-four.
JAMES A. HAMILTON,
Secretary of State.

CHAPTER 602

An act making provision for issuing
bonds to the amount of not to
exceed fifteen million dollars for
the extension and improvement of
existing state parks and the es-
tablishment of new state parks and
parkways in order to create a com-
prehensive and unified state park
system for the promotion of the
recreation, instruction and health
of the people, and provid-
ing for a submission of the same
to the people to be voted upon at
the General Election to be held in
the year nineteen hundred and
twenty-four.

Became a law May 2, 1924, with the
approval of the Governor. Passed,
three-fifths being present.
The People of the State of New
York, represented in Senate and
Assembly, do enact as follows:

Section 1. There shall be issued,
in the manner and at the times here-
inafter recited, bonds of the state
in an amount not to exceed fifteen
million dollars, which bonds shall be
sold by the state and the proceeds
thereof paid into the state treasury,
and so much thereof as may be ne-
cessarily expended for the develop-
ment, improvement and extension of
state parks within the State of New
York, including the acquisition of
lands, and for the establishment of
a unified state park system as here-
inafter provided. Such bonds when
issued shall be exempt from taxa-
tion.

§ 2. The comptroller is hereby
directed to cause to be prepared the
bonds of the state to an amount not
to exceed fifteen million dollars
(15,000,000), such bonds to bear in-
terest at the rate of not in excess of
five per centum per annum, which
interest shall be payable semi-an-
nually in the city of New York.
Such bonds, or such portion thereof
as may be issued, shall be serial
bonds payable in equal annual in-
stallments, the first of which shall
be payable one year after the date
of issue and the last of which shall
be payable at such time as may be
hereafter prescribed by law, but not
more than fifty years after the de-
btor's death. Such bonds shall be sold
for not less than par. The control-
ler is hereby charged with the duty
of selling such bonds to the highest
bidder after a sale for a period
of twenty consecutive days, Sundays
excepted, in at least two daily news-
papers printed in the city of New
York and one in the city of Albany.
Advertisements shall contain a pro-
vision to the effect that the control-
ler, in his discretion, may reject
any or all bids made in pursuance
of such advertisement, and in the event
of such rejection, the comptroller is
authorized to readvertise for bids in
the form and manner above de-
scribed as many times as in his judg-
ment may be necessary to effect a
satisfactory sale. Said bonds shall
be sold in such lots and at
such times as may be required for
the purpose of making partial or
final payments in accordance with
the provisions of this act. The principal
and interest on such bonds as the
same accrue shall be paid out of
appropriations made therefor pursuant
to law.

§ 3. The proceeds of such bonds,
after appropriation or appropriation
therefrom by the legislature, shall
be applicable to the development,
improvement and extension of state
parks within the state of New York,
including the acquisition of lands or
waters or both for the extension or
establishment thereof, and for sur-
veys, examination of titles and other
necessary expenses incidental to the
acquisition of such lands as follows:
provided that no part of the sum set
aside for the state forest preserve
shall be used for any other purpose
than for the acquisition of lands
within the forest preserve counties,
which lands if now owned by state
under existing law, would be part
of the forest preserve:

For the state forest preserve	\$5,000,000
For the Palisades Inter- state park	3,500,000
For the Allegany state park	2,000,000
For the New York state reservation at Niagara	500,000
For the Letchworth park	500,000
For the park and park- ways in the Finger lake region	500,000
For parkway connections between the Bronx river parkway and the bridge from Peekskill to Bear mountain in Westchester county	1,000,000
For the development of a state park system on Long Island	1,000,000
For the development and extension of other state parks and the acquisition and de- velopment of addi- tional parks, includ- ing the further devel- opment of the state reservation at Saratoga Springs, the Taconic park and the park on the Tongue moun- tain peninsula at Lake George	500,000

§ 4. The moneys for the state for-
est preserve shall be expended and
lands acquired under the direction of
the conservation commissioner by
and with the advice and consent of
the commissioners of the land office.
The moneys for the development,
improvement and extension of the
Palisades Interstate park shall be
expended and the lands shall be ac-
quired by the commissioners of the
Palisades Interstate park under the

provisions of chapter one hundred
and seventy of the laws of nineteen
hundred, as amended. The moneys
for the extension and improvement
of the Allegany state park shall be
expended by the commissioners of the
Allegany state park. The moneys
for the extension and improve-
ment of the New York state reserva-
tion at Niagara shall be expended
by the commissioners of that reser-
vation. The moneys for the Bronx
parkway extensions and connections
shall be expended by the Westches-
ter county park commission as the
agent of the state or otherwise as
the legislature may determine. The
moneys for the Long Island park
system shall be expended by a com-
mission constituted by the legisla-
ture, to be known as the Long Island
state park commission. The moneys
for the extension and improvement of
the Letchworth park shall be ex-
pended by the American Scenic and
Historic Preservation Society. The
moneys for the extension and im-
provement of state parks in the
Finger Lake region shall be expended
by a commission to be constituted
as the legislature may determine.
The remaining moneys for other
park extensions and for new parks,
including the further development
of the state reservation at Saratoga
Springs and Lake George park, shall
be expended under the direction of
the conservation commissioner, or
otherwise as the legislature may de-
termine. The legislature may at any
time hereafter provide that the mon-
ey to which it is hereinbefore
provided that the expenditure shall
be made under the direction of the
respective commissioners, commis-
sions or societies in this section
specified, may be expended by any
other state department, board, com-
mission or officer that it may desig-
nate. Except as in this section oth-
erwise provided such lands may be
acquired in such manner as the
legislature may provide, which may
be either by purchase, by condem-
nation or by entry and appropriation
with submission to the court of
claims or supreme court for the de-
termination and award of damages
for such entry and appropriation or
for one or more of such methods as
the legislature may provide.

§ 5. The moneys appropriated for
the acquisition of lands under this
act shall be available for the pay-
ment of the purchase price where
lands are acquired by contract or
for payments of judgments and
awards in case of purchase by con-
demnation. Moneys appropriated
for the acquisition of forest pre-
serve lands, and of lands in the Al-
legany state park shall also be
available for the payment of judg-
ments and awards in case of pro-
ceedings by entry and appropriation.
§ 6. The term "lands" as used
in this act includes the improve-
ments thereon. All lands acquired
under the state park system con-
templated by this act shall be for the
use of all the people.

§ 7. This law shall not take ef-
fect until it shall at a general elec-
tion have been submitted to the peo-
ple and have received a majority of
the vote cast for and against
it at such election; and the same
shall be submitted to the people of
this state at the general election to
be held in November, nineteen hun-
dred and twenty-four. The ballots
to be furnished for the use of the
voters upon the submission of this

law shall be in the form prescribed
by the election law and the propo-
sition or question to be submitted
shall be printed thereon in substan-
tially the following form, namely:
"Shall chapter (here insert the num-
ber of the chapter) of the laws of
nineteen hundred and twenty-four,
entitled 'An act making provision
for issuing bonds to the amount of
not to exceed fifteen million dollars
for the extension and improvement
of existing state parks and the es-
tablishment of new state parks and
parkways in order to create a com-
prehensive and unified state park
system for the promotion of the
recreation, instruction and health of
the people, and providing for a sub-
mission of the same to the people to
be voted upon at the general elec-
tion to be held in the year nineteen
hundred and twenty-four' be ap-
proved?"

FORM OF SUBMISSION OF

"Shall chapter 602, of the Laws
of 1924, entitled 'An act making
provision for issuing bonds to the
amount of not to exceed 15,000,000
dollars for the extension and improve-
ment of existing state parks and the
establishment of new state parks and
parkways in order to create a com-
prehensive and unified state park
system for the promotion of the re-
creation, instruction and health of
the people, and providing for a sub-
mission of the same to the people to
be voted upon at the general elec-
tion to be held in the year 1924,'
be approved?"

IMPORTANT NOTICE

To Persons Having Claims Against
Allegany County.

Notice is hereby given that the
Board of Supervisors of the County
of Allegany, N. Y., will hold its an-
nual session at the Court House in
the village of Belmont on Monday,
November 10, 1924. All persons
having claims against said county
are hereby notified to present the
same to the Board not later than the
THIRD DAY of the session, as no
bills will be audited if presented af-
ter that date.

L. C. ALLEN,
Clerk of the Board of Supervi-
sors, Belmont, N. Y., October 15,
1924. 45

Notice to Present Claims

Notice is hereby given that the
Town Board of the Town of And-
over, N. Y., will hold its annual ses-
sion for auditing accounts at Vil-
lage Hall, in the Village of Andover,
N. Y., on Thursday, November 6th,
1924. All persons having claims
against the Town of Andover, N. Y.,
are hereby notified to present the
same to the Board at that time.

ROBERT BRUNDAGE,
Town Clerk.
Dated Andover, N. Y., Oct. 20th,
1924. 44

Finely chopped apples, served
with powdered sugar, a dash of lem-
on and cream, make a good des-
sert change from pie during the ap-
ple season.

Just as much
is not
Just as good.
