## OF INTEREST TO FARMERS

### PREPARE ROSE GARDEN IN FALL, SAY EXPERTS

Dig Beds Two Feet Deep and Manure  
Thoroughly Now For Spring  
Plantings.

Fall is the time to prepare the  
beds for a rose garden, says a bul-  
letin of the state college of agri-  
culture at Ithaca. The beds should  
be dug from eighteen to twenty-  
four inches deep for the best re-  
sults.

If the subsoil is clayey or other-  
wise offers poor drainage a six-inch  
layer of stones, gravel, broken  
bricks, or clinkers should be placed  
in the bottom of the excavation and  
then a six-inch layer of manure.  
Garden soil mixed with well rotted  
manure may then be filled in to  
bring the beds up a little above the  
surface of the ground to allow for  
settling.

In the spring the beds should be  
dug over with a fork so as to mix  
thoroughly the upper soil and the ma-  
ture, and to bring about a general  
good condition of tilth. Fresh ma-  
nure used in the spring in contact  
beds in the fall and the planting de-  
ferred until spring; but fresh ma-  
nure used in the spring in contact  
with the roots of the roses is fatal  
to the plants.

All kinds of roses do not thrive  
equally well in the same kind of  
soil. Hybrid perpetuals succeed best  
in a heavy clay loam and teas and  
hybrid teas in a warmer and more  
sandy loam. The rugosas grow well  
in a rather sandy loam. Altogether  
the bulletin says, the encouraging  
part of it for a beginner is that  
roses give satisfactory results on a  
wide range of soil conditions.

This bulletin was first issued in  
1917, and the demand for it made  
several reprints necessary. It is  
now available to anyone who will  
send in his name and address to the  
state college of agriculture at Ithaca  
and ask for F 121.

### Homespun Yarn

the children's shoes.

"All knowledge is lost which ends  
in the knowing, for every truth we  
know is a candle to work by."—Rus-  
kin.

Getting the children off to school  
is easier on the whole family if  
their things are in order the night  
before.

Is your kitchen as convenient as  
it is possible to make it? Ask the  
state college of agriculture at Ithaca  
for bulletin H 108 and advice on  
your kitchen plan.

Aunt Ada's Axioms: They say  
modern boys and girls use home  
mainly as a place to get ready to go  
somewhere else, but they eat there  
most of the time; table talk gives  
the best chance to set high stan-  
dards.

In October many folks will be  
making fruit cake and plum pudding  
for Thanksgiving and Christmas.  
Melted butter on the fingers keeps  
the fruit from sticking while it is  
being cut and flouring the fruit as  
it is prepared helps keep it from  
forming in a mass.

### Around Our House

A fresh grape relish is a novel  
way to preserve foods and carries  
some of the pleasures of summer  
well into mid-winter. Select bunches  
of grapes of about the same size  
and ripeness; tho they should not  
be overripe. Leave the grapes on  
the stems and pack the bunches  
closely into clean jars, but do not  
try to get too many in the jar; as  
the fruit should not be bruised.  
Make of syrup of one and one-half  
cups of sugar to each cup of white  
vinegar; boil for five minutes and  
pour over the grapes to fill the jars  
and seal them. These grapes have  
the appearance of the fresh fruit  
and make an excellent relish to  
serve with meat or to use as a  
garnish for salads.

### NEW YORK JUNIORS WILL SHOW AT STATE COLLEGE

Annual Poultry Production Gather-  
ing Will Include Youngsters For  
First Time in December.

Poultry club members from all  
over the state will have opportunity  
to exhibit their best at the annual  
production poultry show held at the  
state college of agriculture at Ithaca,  
December 2, 3, and 4. This is the  
first time a special section has  
been provided for the young folks,  
and a large exhibit is planned by the  
youngsters.

One feature will be the award-  
ing of the Tioga sweepstakes trophy.  
This is a solid silver cup, twelve  
inches in height, donated by the  
Tioga Mill and Elevator Company  
of Waverly. It will go to the county  
whose junior exhibitors win the  
most points on a scale of a certain  
number for each first premium won,  
so many for each second, each  
third, and so on. Details will be  
announced later. The trophy will  
be awarded each year and becomes  
the permanent property of the club  
members of a county only when  
won three times.

The poultry judging team which  
will represent New York at the na-  
tional judging contest at the Mad-  
ison Square Garden poultry show  
will also be chosen at this time. A  
contest for county teams will be  
held on Wednesday, December 3.  
Birds will be judged on both fancy  
and production points.

Further information may be ob-  
tained from the poultry department  
of the state college of agriculture  
at Ithaca or from the local county  
club agent, who is in charge of all  
4-H club work.

### NEW YORK JUNIORS WILL JUDGE LAYERS AND LIARS

4-H Poultry Clubs Will be Repre-  
sented at Madison Square Show  
in January.

Poultry club workers thruout the  
state are already working hard to  
become proficient judges of the  
"layers and liars," says P. R. Young  
state junior project leader. Thru  
the generosity of the Tioga Mill &  
Elevator Company of Waverly, a  
team of three such workers will be  
sent to New York City in January  
1925, to compete in the national  
poultry judging contest for 4-H club  
members. This contest is to open  
to teams of poultry club members  
from every state in the union.

New York's team will be chosen  
at the annual production poultry  
show held December 2, 3, and 4 at  
the state college of agriculture at  
Ithaca. At that time the various  
counties of the state will send in  
their best teams to compete in a  
state contest. The team winning  
there will go to New York with ex-  
penses paid by the Waverly com-  
pany, which is much interested in  
the work of the boys and girls.

### PROPOSITION NUMBER ONE

STATE OF NEW YORK

Office of the Secretary of State  
Albany, September 15, 1924.

Pursuant to the provisions of sec-  
tion eighty of the Election Law, the  
following proposition will be sub-  
mitted to the voters of this State  
for approval on November fourth,  
nineteen hundred and twenty-four.

JAMES A. HAMILTON,  
Secretary of State.

### CHAPTER 602

An act making provision for issuing  
bonds to the amount of not to  
exceed fifteen million dollars for  
the extension and improvement of  
existing state parks and the es-  
tablishment of new state parks and  
parkways in order to create a  
comprehensive and unified state  
park system for the promotion of  
the recreation, instruction and  
health of the people, and provid-  
ing for a submission of the same  
to the people to be voted upon at  
the General Election to be held in  
the year nineteen hundred and  
twenty-four.

Became a law May 2, 1924, with the  
approval of the Governor. Passed,  
three-fifths being present.

The People of the State of New  
York, represented in Senate and  
Assembly, do enact as follows:

Section 1. There shall be issued,  
in the manner and at the times here-  
inafter recited, bonds of the state  
in amount not to exceed fifteen  
million dollars, which bonds shall be  
sold by the state and the proceeds  
thereof paid into the state treasury,  
and so much thereof as may be ne-  
cessarily expended for the develop-  
ment, improvement and extension of  
state parks within the State of New  
York, including the acquisition of  
lands, and for the establishment of  
a unified state park system as here-  
inafter provided. Such bonds when  
issued shall be exempt from taxa-  
tion.

§ 2. The comptroller is hereby  
directed to cause to be prepared the  
bonds of the state to an amount not  
to exceed fifteen million dollars  
(15,000,000), such bonds to bear in-  
terest at the rate of not in excess of  
five per centum per annum, which  
interest shall be payable semi-an-  
nually in the city of New York. Such  
bonds, or such portion thereof  
as may be issued, shall be serial  
bonds payable in equal annual in-  
stallments, the first of which shall  
be payable one year after the date  
of issue and the last of which shall  
be payable at such time as may be  
hereafter prescribed by law, but not  
more than fifty years after the date  
of issue. The bonds shall have been  
contracted. Such bonds shall be sold  
for not less than par. The control-  
ler is hereby charged with the duty  
of selling such bonds to the highest  
bidder after advertising for a period  
of twenty consecutive days, Sundays  
excepted, in at least two daily news-  
papers printed in the city of New  
York and one in the city of Albany.  
Advertisements shall contain a pro-  
vision to the effect that the control-  
ler, in his discretion, may reject any  
or all bids made in pursuance  
such advertisements, and, in the event  
of such rejection, the comptroller is  
authorized to readvertise for bids in  
the form and manner above de-  
scribed as many times as in his judg-  
ment may be necessary to effect a  
satisfactory sale. Said bonds shall  
be sold in such lots and at such  
times as may be required for the  
purpose of making partial or  
final payments in accordance with  
the provisions of this act. The  
principal and interest on such  
bonds as the same accrue shall be  
paid out of appropriations made  
therefor pursuant to law.

§ 3. The proceeds of such bonds,  
after appropriation or appropriations  
therefrom by the legislature, shall  
be applicable to the development,  
improvement and extension of state  
parks within the state of New York,  
including the acquisition of lands or  
waters or both for the extension or  
establishment thereof, and for sur-  
veys, examination of titles and other  
necessary expenses incidental to the  
acquisition of such lands, as follows:  
provided that no part of the sum set  
aside for the state forest preserve  
shall be used for any other purpose  
within the forest preserve counties,  
which lands if now owned by state  
under existing law, would be part  
of the forest preserve:

For the state forest preserve	\$5,000,000
For the Palisades Inter- state park	3,500,000
For the Allegany state park	2,000,000
For the New York state reservation at Niagara	500,000
For the Letchworth park for the parks and park- ways in the Finger lake region	500,000
For parkway connections between the Bronx river parkway and the bridge from Peekskill to Bear Mountain in Westchester county.	1,000,000
For the development of a state park system on Long Island	1,000,000
For the development and extension of other state parks and the acquisition and de- velopment of addition- al parks, including the further develop- ment of the state reservation at Sarato- ga Springs, the Taconic park and the park on the Tongue moun- tain peninsula at Lake George	500,000

§ 4. The moneys for the state forest  
preserve shall be expended and  
lands acquired under the direction of  
the conservation commissioner by  
and with the advice and consent of  
the commissioners of the land office.  
The moneys for the development,  
improvement and extension of the  
Palisades Interstate park shall be  
expended and the lands shall be ac-  
quired by the commissioners of the  
Palisades Interstate park under the  
provisions of chapter one hundred  
and seventy of the laws of nineteen  
hundred, as amended. The moneys

for the extension and improvement  
of the Allegany state park shall be  
expended by the commissioners of  
the Allegany state park. The moneys  
for the extension and improve-  
ment of the New York state reserva-  
tion at Niagara shall be expended  
by the commissioners of that reser-  
vation. The moneys for the Bronx  
parkway extensions and connections  
shall be expended by the Westchest-  
er county park commission as the  
agent of the state, or otherwise as  
the legislature may determine. The

moneys for the Long Island park  
system shall be expended by a com-  
mission constituted by the legisla-  
ture, to be known as the Long Island  
state park commission. The moneys  
for the extension and improvement of  
the Letchworth park shall be ex-  
pended by the American Scenic and  
Historic Preservation Society. The  
moneys for the extension and im-  
provement of state parks in the  
Finger Lake region shall be expend-  
ed by a commission to be constituted  
as the legislature may determine.  
The remaining moneys for the state  
park extensions and for new parks,  
including the further development  
of the state reservation at Saratoga  
Springs and Lake George park, shall  
be expended under the direction of  
the conservation commissioner, or  
otherwise as the legislature may de-  
termine. The legislature may at any  
time hereafter provide that the moneys  
as to which it is hereinbefore pro-  
vided shall be available for the pay-  
ment of the purchase price where  
lands are acquired by contract or  
for payments of judgments and  
awards in case of purchase by con-  
demnation. Moneys appropriated

for the acquisition of forest pre-  
serve lands, and of lands in the Al-  
legany state park shall also be  
available for the payment of judg-  
ments and awards in case of pro-  
ceedings by entry and appropriation.

§ 5. This law shall not take ef-  
fect until it shall at a general elec-  
tion have been submitted to the peo-  
ple and have received a majority of  
all the votes cast for and against  
it at such election; and the same  
shall be submitted to the people of  
this state at the general election to  
be held in November, nineteen hun-  
dred and twenty-four. The ballots  
to be furnished for the use of the  
voters upon the submission of this  
law shall be in the form prescribed  
by the election law and the proposi-  
tion or question to be submitted  
shall be printed thereon in substan-  
tially the following form, namely:

"Shall chapter (here insert the num-  
ber of the chapter) of the laws of  
nineteen hundred and twenty-four,  
entitled 'An act making provision
