"THINGS COME EASY"

Because He Can Wait

That's the truth, most of the time, about the success, some person you know, or know about, is gaining.

You'll find chances to get ahead usually come more quickly to the man who can afford to wait for them. He's put moray in bank-to be ready. Meanwhile, he doen't have to worry about saxt month's reat, or the winter coal.

You, too, can build up a reserve—in an interest-bearing account here.
